Amazon Compare Store Hours:

The Everything Store Brad Stone, 2013-10-15 The authoritative account of the rise of Amazon and its intensely driven founder Jeff Bezos praised by the Seattle Times as the definitive account of how a tech icon came to life Amazon.com started off delivering books through the mail But its visionary founder Jeff Bezos wasn't content with being a bookseller He wanted Amazon to become the everything store offering limitless selection and seductive convenience at disruptively low prices To do so he developed a corporate culture of relentless ambition and secrecy that's never been cracked Until now Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members giving readers the first in-depth fly on the wall account of life at Amazon Compared to tech's other elite innovators Jobs Gates Zuckerberg Bezos is a private man But he stands out for his restless pursuit of new markets leading Amazon into risky new ventures like the Kindle and cloud computing and transforming retail in the same way Henry Ford revolutionized manufacturing The Everything Store is the revealing definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read

Amazon Natalie Berg, Miya Knights, 2019-01-03 What is the secret to Amazon's success What does the ecommerce giant have in store for the future Explore the disruptive new retail strategies of the world's most relentless retailer and gain valuable lessons that can be applied to any business in the ecommerce sector with original insight from the company as it continues to revolutionize itself even further The retail industry is facing unprecedented challenges Across all sectors and markets retailers are shifting their business models and customer engagement strategies to ensure they survive The rise of online shopping and its primary player Amazon is at the heart of these changes and opportunities Amazon's relentless dissatisfaction with the status quo is what makes it such an extraordinary retailer This book explores whether Amazon has what it takes to become a credible grocery retailer and as it transitions to bricks and mortar retailing investigates whether Amazon's stores can be as compelling as its online offering Exploring the ecommerce giant's strategies Amazon offers unique insight into how innovations such as voice technology checkout-free stores and its Prime ecosystem will fundamentally change the way consumers shop Written by industry leading retail analysts who have spent decades providing research-based analysis and opinion on retail strategy and enterprise technology use in retail Amazon analyzes the impact these initiatives will have on the wider retail sector and the lessons that can be learned from its unprecedented rise to dominance as stores of the future become less about transactions and more about experiences
