Low Carb Recipes Science Experiments This Month:

Fighting Back with Fat Erin Whitmer, Jeanne L. Riether, 2012-12-13 Written by two mothers who have children on the Ketogenic diet *Fighting Back with Fat* provides essential information to educate parents on every aspect of diet therapy as well as giving counsel for parents navigating the emotional minefields that often come with attempting Ketogenic diets. Common stress factors such as fear of failure, hyper responsibility, dealing effectively with a child's non-compliance, and educating non-supportive relatives, friends, and peers are all addressed in heart-to-heart frankness from mothers who have covered the territory personally. *Fighting Back with Fat* guides the reader through the Ketogenic Diet, Modified Atkins Diet, and The Low Glycemic Index Treatment intrepidly discussing the struggles and emotional bombshells that come with diet therapy. The authors include first person accounts of the successes and trials of other families as well as a rare glimpse of what kids think of the diets in their own words. Finally, the book closes with the Keto Calculator 101 with tips and advice from the Charlie Foundation's Beth Zupc Kania RD CD, the Keto Calculator's creator and moderator, and an extensive recipe section offering simple, delicious recipes organized by age group from infants to adults, each with Keto Bites, fun food facts, or practical advice that correspond to each recipe.
