- Strong negotiation skills, and interpersonal skills to interact with suppliers, and business partners
- Demonstrable abilities to work well both in an independent and team setting, with the ability to perform with reliability
- Proficiency in product processing systems, recruitment, hiring, and training of workers, and these skills boosted sales revenue while managing employee schedules and trimming operating budgets
- Bachelor's degree in Retail Management from ***University, and certified in Store Management

My skills in operations management coupled with robust managerial skills position me to thrive in a challenging environment like ***. Given the fact that the **** festival is around the corner, I am sure that I am flexible to work during weekends, holidays, and late nights to boost sales.
