After Daniel: Redemption Romance Book 1 Ivy Winters, 2025-08-14 Because sometimes the second chapter is the one worth living for I thought my story ended the day Daniel died The world didn't just lose its color it lost its meaning Every sunrise felt like a mistake every breath an obligation Then I met him Mack is nothing like the man I loved He's rough edges and sharp lines all muscle and mischief with a past that should warn me away But there's something in his eyes something raw and unspoken that calls to the pieces of me I thought were gone for good He doesn't try to fix me He doesn't tell me to move on He just stands there solid and stubborn until I start to believe maybe I could let go of the past But loving again after loss isn't simple The grief is still there waiting for the dark days And Mack has his own ghosts ones that could rip us apart before we even begin If I give my heart to him am I honoring what I lost or risking everything I have left
