This template has gotten my clients interviews faster and more successfully than when they were writing a resume on their own and not getting any results. And it's simple. Using a color-based, easy-to-follow method, you will create your DIY resume that looks like it was created by a professional. It has a 60% better chance of being read and greatly increases your chances of getting more interviews. The Resume Coloring Book will teach you how to identify and take credit for the skills you have and how to turn them into powerful credentials for your resume that will attract the employers you want to work for. [The Guide to Basic Resume Writing](#) Public Library Association, VGM Career Books (Firm), 2004 All of your educational, professional and personal accomplishments will not help you get a job if you cannot condense that information in a concise, polished resume. And while you may think resume writing is not one of your strengths, it is the skill that will do the most to get you to the next step: the job interview. With so much riding on the resume, you need help from the experts. Just follow the simple steps in this book and in no time you will produce a document that skillfully summarizes your qualifications and separates you from the rest of the pack. **The New Perfect Resume** Tom Jackson, Ellen Perry Jackson, 1996 When published thirteen years ago, *The Perfect Resume* was the best resume book on the market. It transformed the old resume list of facts into a new model: an opportunity for self-expression and self-promotion. But today's perfect resume is not the same perfect resume of ten or even five years ago. *The New Perfect Resume* provides the most effective strategies for dealing with the current shift away from good, steady jobs to an era of temporary, freelance and consulting positions. In order to compete in today's business world, where employers are more interested in a candidate's skills rather than experience and where no employment is guaranteed for life, resumes must be highly customized and targeted to an employer with current or short-term needs. *The New Perfect Resume* shows readers how to prepare a capabilities portfolio which focuses on a candidate's talents rather than the number of jobs they've held. Write an internal resume that defines job responsibilities for those already with a job. Use E-Mail, the talent banks of the Internet and electronic job searches. Along with all these strategies, *The New Perfect Resume* includes all the hallmarks of a great resume book: including 50 samples of winning resumes, easy-to-use drafting forms, special resumes for recent graduates, salary negotiation strategies and suggestions on how to write a perfect cover letter. A classic in the field of career development, *The New Perfect Resume* is sure to become the new standard upon which all other resume books are compared.

Résumé Writing Made Easy Lola Brown, 2007 *Resume Writing Made Easy: A Practical Guide* provides time-tested techniques for creating powerful resumes and cover letters that get noticed. Readers will learn to combine traditional job hunting methods with the latest Internet resources to create an effective job search campaign. Using clear, simple worksheets and a variety of sample resumes, it walks students through successive steps of writing winning resumes for a variety of career situations. This new edition contains more writing suggestions, new sample resumes, lists of effective word choices, creative

cover letter ideas tips for maximizing the Internet and samples that address over 100 professions
