is suitable for everyone *Complications* Todd Balf, 2020-07-21 His story begins as cliché an aging jock with nagging lower back pain. For the better part of a year he ignores it, convinced he has a slipped or herniated disk. It's only when he can no longer ride a bike, a lifelong passion, that he makes the doctor appointment. The problem isn't a disk; it's a tumor on his spine the size of a softball. In the summer of 2014, Todd Balf, author of the acclaimed adventure tales *The Darkest Jungle* and *The Last River*, was diagnosed with a rare spinal cancer called chordoma. Only three hundred cases are diagnosed in the United States each year, meaning that Balf was literally one in a million. During two long and risky surgeries, a team of specialists removed the tumor and buttressed his damaged spine with a scaffolding of metal rods. Having survived the surgery itself, a minor miracle, Balf was told that with some rehab and follow-up radiation, he would soon be back to his former athletic self. He wasn't. The surgery had resulted in a spinal cord injury that left one of his legs partially paralyzed. Give it time, his doctors advised. The nerves might heal. Thus began Balf's membership in a tribe: The disabled. He imagined his own disability would be temporary, a short visit to a foreign land. He spent years testing piloting remedies that might spark his spinal nerves back to life. With the same gusto and good humor that he brought to his work as a writer, he searched for the perfect treatment: anti-gravity treadmills, adaptive bikes, endless rehab and trips to the gym, and why not a few long-distance cycling events. His wife and children, long accustomed to Balf's kinetic energy and sometimes harebrained schemes, cheered him on and hoped for the best. Then came unexpected surgery to repair broken rods in Balf's spine, followed by yet another complication: a stroke that jeopardized not only his recovery but his professional career. Balf wasn't just one in a million. Thanks to his unresolved spine injury topped off with a stroke, he was now an n of 1, a single case study. Before his long medical misadventure, Balf had always relished being one of the healthiest and fittest people around. Now he was unique for all the wrong reasons. *Complications* recounts Balf's journey from cancer diagnosis to his present-day reality as a man caught between two worlds. Both moving and irrepressibly joyful, *Complications* is a forthright account of what it's like to suffer a physical catastrophe and manage the uncertainty that comes with it. What's the right balance between striving to recover and accepting limitations? Was he still just visiting the land of the disabled, or there for good? Who was Todd Balf now? **American Tropics** Rock Holliwood, 2012-11-20 *American Tropics* is a story of one man's journey from LA to Miami to Key West to LA and then to the Hawaiian Islands to visit the most tropical parts of America. The protagonist, who is a member of Generation X, tells the story about his adventures and the characters that he meets along the way. The book is a journey; reading it, you will go on a journey in your imagination to the most southern extremes of the United States to the continental south point close to the Hemingway House in Key West, Florida, and to the south point of the Hawaiian Islands. It will take you to celebrate the exuberance and joy of being a member of Generation X while traveling through the most tropical parts of the great experiment in freedom and wealth, America. It is a story of beauty, joy, and exhilaration where the author takes the advice of Thomas Jefferson and travels to the most tropical parts of the states to experience Life, Liberty, and the Pursuit of Happiness.

American Tropics is the story of one mans generational dream and a call to every member of the generation to take up arms against a sea of dreariness to have more fun pursuing happiness in the American Tropics It is a story for a generation that dislikes its name Generation X and a call to this 13th generation of the United States to wake up to the immense beauty of modern life and to pick up from where the Summer of Love generation left off The book is a generational dream from a Generation X author

The 120 Club - Living the Good Life for 120 Years Philip Rose, 2004-07-29 The 120 Club Living the Good Life for 120 Years By Philip Rose In his book The 120 Club Living the Good Life for 120 Years Phil Rose wants us to imagine that living to 120 years is possible He imagined this long before consulting the longevity experts many of whom had reached the same conclusion living to 120 is the natural life span for humans In The 120 Club Living the Good Life for 120 Years Phil Rose presents his Ten Wisdoms for living a balanced and rational life His ideas stand in contrast to much of what is out of balance in our world In addition to the more widely accepted and discussed areas of nutritional supplements diet and exercise Phil Roses program of ten wisdoms includes an in depth analysis of Learning effective and practical ways to reduce stress and heal emotional hurts Managing money and finding meaningful work Living outside the box through personal creativity and play Enjoying the rewards and inner peace of an authentic spiritual life Participating in the essential healing powers of Mother Earth Gaining and keeping long time friendships alive Using alternative healers and Western doctors to repair and heal the body Experiencing personal power to transform the world The 120 Club Living the Good Life for 120 Years is not a quick fix book but one that is meant to accompany you over a lifetime There is no pre requisite to join The 120 Club other than the total and joyful decision to transform your now long and healthy life The 120 Club is THE survival manual for this century Bob Bodgan Professor of Sociology and Education Syracuse University There are books aplenty that urge us to fix the world and as many that guide us in healing the body and soul In these pages Phil Rose wisely shows that to be fully alive is to be fully engaged spiritually politically and personally Read on live well live long Jack Manno Executive Director of the Great Lakes Research Consortium and author of Privileged Goods

Walking 85,000 Miles to Aide Humanity and Have Fun Tom Kline, 2022-01-13 Tom Kline has been an adventure racewalker for fifty years He has walked the remotest lands on our planet alone and on foot Experience the sensation of being lost at night walking the vast Sahara Desert and dodging bears wolves and screeching puffin birds in his quest to encounter the Arctic Circle Join Tom as he accompanies desperate Nicaraguan families up remote jungle rivers avoids bandits across Panama and confronts opium dealers in Laos Tom will also escort you through the romance of Europe the intrigue of South America and the mystery of Asia and Africa s ancient lands Yet Tom Kline is also a humanitarian To support the global fight against malaria Tom became the first person to walk 6 500 miles across the barren tundra of Alaska over the Rocky Mountains and nine years later triumphantly arrive in Key West Florida Tom walked from New York to Washington DC to plead to Congress on behalf of inner city poor and wobbled again hundreds of miles to support drug treatment funding for juvenile diabetes and so much

more Tom Kline's view of life can be summed up as follows We can change our complex world one mile at a time even if it means walking eighty five thousand of them
