Black Friday S Hussain Zaidi, 2014-11-15 On the afternoon of 12 March 1993 a series of explosions cut a swath of terror and destruction through Bombay The toll 257 killed or missing 713 injured and a city in a shambles In Black Friday S Hussain Zaidi takes us into the heart of the conspiracy which spanned several countries and the massive investigation that ensued A product of four years of meticulous research the book gives chilling insights into the criminal mind through interviews with close associates of

Dawood Ibrahim and Tiger Memon among others The characters we meet are compelling the terrorists the corrupt law enforcement agents who abetted the plot the investigators who would stop at nothing and above all the people of Bombay of whose resilient spirit this book is a celebration Riveting and incisive Black Friday reveals the true dimensions of a horrific tragedy which shook the nation Risk, Return, and the Indigo Autumn Tim McGhee,2007-06-01 In these the go go days of August 1987 everyone is in the money and damned happy about it Except Mason Bricker He s a thirtysomething stockbroker with a bad attitude not willing or able to be a good yuppie and celebrate the good times Stocks have been hitting new highs so Mason in an iconoclastic fit announces his intention to short the Dow Jones Industrial Average setting himself up to profit as the market falls from the precipice on which he says it perches Read Risk Return and the Indigo Autumn to find out how it turns out for Mason Return to Paradise Yusuf Kodwawala Dawood,2000 A family is exiled when Idi Amin expels all Asians from Uganda **Wasted** Byron Reese,Scott Hoffman,2021-06-01 Wasted is a riveting exploration of the complicated and often surprising ways that waste occurs in our businesses our communities and our lives A smart unconventional book that takes readers far beyond what they think they know about a complex subject Kari Byron former cast member of MythBusters Waste We spend a great deal of energy trying to avoid it but once you train your eyes to look for it you ll see it all around you in your home your business and your everyday life In Wasted futurist Byron Reese and entrepreneur Scott Hoffman take readers on a fascinating journey through this modern world of waste drawing on science economics and human behavior to envision what a world with far less of it or none of it at all might look like Along the way they explore thought provoking issues such as why the United States got a higher proportion of its energy from renewable sources in 1950 than it does today whether the amount of gold in unused mobile phones can be extracted for profit how switching to water fountains on a single route from Singapore to Newark could prevent the use of 3 400 plastic bottles on each flight whether the amount of money you save buying goods in bulk is offset by the amount you lose when some spoil Ultimately the question of reducing waste is scientific philosophical and most of all complex According to Reese and Hoffman the rush toward simple answers has often led to well meaning efforts that cause more waste than they save The only way we can hope to make progress is to treat waste as the complicated issue it is While the authors don t promise easy answers in this compelling book they take an important step toward solutions by examining the questions at play giving actionable steps and ensuring that you ll never see the world of waste the same way again **Sustainable Marketing** Paul Randle,Alexis Eyre,2023-12-03 SHORTLISTED Business Book Awards 2024 Sales Marketing Becoming a sustainable marketer is no longer an optional extra Sustainability has become a necessity for the future but do you feel confident delivering on this for your clients and customers Sustainable Marketing is a blueprint for embedding sustainability at the heart of marketing Exposing the disturbing reality of marketing s current relationship with many of our environmental and societal problems it challenges the traditional role of marketing its cultural norms and gross inefficiency It goes on to present a compelling vision for change and a practical guide for marketing

professionals equipping them with the mindset and tools to transform their daily work and the industry as a whole into a force for good This is the perfect guide for marketing and sustainability professionals working through their company s sustainable transformation whilst trying to avoid the pitfalls of greenwashing and carbon myopia Written by experts who apply their unique framework to the issue this book takes what may feel like an insurmountable challenge and breaks it down giving in depth advice and providing real world success stories from companies of all sizes including Tony s Chocolonely The Onlil and AkzoNobel
