Consumer Behavior in Action Geoffrey Paul Lantos, 2015-01-28 *Consumer Behavior in Action* is a down to earth highly engaging and thorough introduction to consumer behavior. It goes further than other consumer behavior textbooks to generate student interest and activity through extensive use of in class and written applications exercises. Each chapter presents several exercises in self contained units each with its own applications. Learning objectives, background and context are provided in an easy to digest format with liberal use of lists and bullet points. Also included in each chapter are a key concepts list, review questions and a solid summary to help initiate further student research. The author's practical focus and clear conversational writing style combined with an active learning approach make this textbook the student friendly choice for courses on consumer behavior.
