## Cyber Monday Near Me:

**30 Before 30** Marina Shifrin, 2018-07-24 A charming relatable and hilarious collection of essays documenting a young woman's attempt to accomplish thirty life goals before turning thirty. Something was nagging Marina Shifrin. As a freshly minted adult with student loan payments, a barely hospitable New York apartment, a real job she hated that paid her enough to get by, if she also worked two other jobs, something needed to change. Over a few bottles of Two Buck Chuck, Marina and her friend each made lists of thirty things they'd do before the age of thirty. The first thing on Marina's list was Quit My Shitty Job. So she did, and just like that, the List powered her through her twenties. In *30 Before 30*, Marina takes readers through her list and shares personal stories about achieving those goals. Ranging in scope from the simple Ride A Bike Over the Brooklyn Bridge, Donate Hair, to the life-changing Move to A Different Country, Become internet Famous, each story shows readers that we don't all have it figured out, and that's okay. But for Marina, she did become internet famous: a viral video of her quitting her job after moving to Asia has nearly 19 million views on YouTube, and now writes for Comedy Central's hit show *Midnight*. It is also an in-demand stand-up and had a very popular Modern Love column published in the New York Times. None of that would have happened if she didn't start her list that night. Thank you, Two Buck Chuck. Told with humor and heart, *30 Before 30* will entertain, motivate, and challenge readers to get out of their comfort zones and live their best lives.

Me and We Leonard Sweet, 2014-09-16 When Christians answer the clarion call to be missional, too often it is primarily to feel good or to grow in their own faith. But ultimately we remain unsatisfied because in the end it's still about me, my church, my faith, my salvation. Then sometimes inspiration dries up. We forget that Jesus is the head of the Church, which exists at God's pleasure and disposal. God is birthing a new Social Gospel meant to reclaim mission and justice ministries as prime directives for the Church, and not with the naive thinking of the 19th or 20th centuries. What are the characteristics of this new Social Gospel? There is an expectation that mission is with and not for others. There is an acknowledgement that tolerance is not a dirty word, and we have to find a peaceable way to live in our intercultural world. It carries the Wesleyan impulse to change the world by working to build God's kingdom in this world. It offers the grace and salvation of Christ to those in need, believing that none are free unless all are free. It means that we feed the hungry, educate the poor, and equip the powerless in tangible ways.

Johnson,2015-01-23 Pink Passion A ruling passion motivates pushes stretches encourages inspires and in some instances a ruling passion might even challenge you to reach your full potential Make no mistake about it a ruling passion is much different from a goal In general a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task Normally goal setters classify goals into categories short term and long term For a tantamount of consumers and shoppers once a goal is set it stays at the center of attention until the goal is accomplished Totally different from a goal\_\_putatively a passion so to speak is something that you love to do more than anything else that you do daily Straight forwardly speaking when you have

a passion it consumes your every thought it pretty much paints the picture of how you view see and live life A strong feeling longing or desire each of us as consumers and shoppers have different passions\_\_ostensibly even with the various passions available as choices some consumers and shoppers have not found their ruling passion understandably it could take years before a consumer or shopper stumbles upon their ruling passion At any rate that you find your passion a passion or a ruling passion could be just about anything that you love and enjoy to do at home away from the job on vacation and during holidays From shopping to blogging to cooking to singing to acting to dancing it's what you love to do the most it's what motivates pushes stretches encourages inspires and challenges you it's your ruling passion In previous years I have had a passion to try and do many things While in college I rediscovered my passion for the English language and writing Within the past seven years I developed a passion for shopping and blogging 2009 I developed a passion for pink Along with my passion for pink I believe my ruling passion is to be an award winning editor and writer Veritably all passions begin with you\_if you have found your ruling passion stick with it share it and create a niche for your passion And for the percentage of you consumers and shoppers who you haven't found your ruling passion start\_right now and start doing what you love and enjoy it's not too late
