Choice Raymond Ngaiza,2022-06-13 Have you ever felt like life is getting away from you We all know what it is to sometimes feel like mere passengers along for the ride victims of circumstances outside of our control In this striking work of self help literature author Raymond Ngaiza takes up arms against this familiar feeling showing the myriad ways we determine the course of our lives through the choices we make whether they be personal or professional big or small Inspired by his own experiences of career and lifestyle changes in leaving his training for priesthood going back to school taking up writing and becoming a husband and father Ngaiza draws on a fascinating array of religious and secular texts as well as politics pop culture and his own life to show us how we can make the difference in our lives and in the world Careful to examine all sorts of important dynamics that may come into play in decision making from being met with a lack of choice or its overwhelming abundance to the methods by which we actually execute our decisions to the issues that may follow our choice making such as proverbial buyer s remorse Choice is a powerful wake up call to readers everywhere reminding us that we can and should become masters of our destinies

Any Price Hazel Domain,2024-07-15 This deal comes with unspoken clauses Dominic Blackburn has a job no sane person wants he makes things quit going bump in the night Unfortunately some monsters bump a little too hard for one man In desperate need of backup he buys the suspiciously cheap contract of an indentured and gorgeous man named Micah Micah s paperwork says he s a fighter and he is Kind of He d rather take a beating than dole one out Good thing plenty of people are willing to pay for that Micah s a professional Whatever his contract holders need no matter how intimate he delivers with his head held high But Micah s new holder seems content to leave most of his more specialized skills unused Micah s not quite sure what to do or not do with Dominic and the feeling is mutual The more Dominic learns about Micah s past the less he wants to know It soon becomes clear that Micah s previous holders were involved in something sinister and big It s up to Dominic and Micah to figure out how deep it goes but getting eaten by a chupacabra is starting to sound more appealing See this title s page on [RiptidePublishing.com](https://www.riptidepublishing.com) for content warnings

Financially Smart Career Planning For Teens P. D. Mason, 2023-06-05 Plan for your dream career and take control of your future without going into debt Are you a High School or Secondary School student worried about upcoming college and career planning decisions Are you at that point in your life where you have to make a choice about your future Have you been told repeatedly that going to college is the only way to ensure career success Have all those student loan horror stories made you wary of going into debt for an education Graduating from high school should be an exciting time You're finally done with this chapter in your life and are ready to take on new and more challenging opportunities as you move toward adulthood and independence But it's also a time when you feel the pressure to make a decision pick a major choose a school figure out your career path With so many options to choose from this can be a paralyzing process Choosing one option may mean you're closing the door to better ones What if you make the wrong choice Even more with the cost of college tuition averaging tens of thousands of dollars it may seem like you're doomed to start your career already burdened by student debt Student debt is not only a financial burden you could be carrying around for the next 10 to 20 years It could also impede major life decisions and negatively affect your mental health and overall quality of life But the good news is a college degree and student debt aren't your only options You can still get access to valuable training and practical experience that will set you up for a flourishing career without having to enter your working life in Major College Debt It's all in this information packed handbook filled with practical advice and information from an expert who chose an alternative educational path and found great success and security Here's just a fraction of what you'll discover from this book Everything you need to know about the education path that is just as good as traditional college or even better but no one seems to talk about it Questions you should be asking yourself and prospective employers to figure out the career that's best for you Why you should be thinking of retirement as early as now and what that has to do with your career plans The art of job shadowing gain an insight into the inner workings of a job that you won't get through research alone A deeper look into the costs of education so you have an idea of what expenses to expect beyond tuition fees The traditional vs an alternative route an in depth comparison of college and vocational school including the training and career opportunities each provides In demand and lucrative jobs that don't require a college degree you could be earning great yearly income sooner and you won't have to rack up student debt Expert information tailored for young adult students in the US UK and Canada And so much more Figuring out what you want to do after high school is one of the biggest and scariest decisions you

ll ever have to make but with the right information you can take control of your future and make these important decisions with greater confidence Forge your own path in life and don t let anything or anyone stop you from creating the future you want for yourself The first step to your success story starts today Start thinking about your future today Scroll up and click Add to Cart right now

Genre Reader Behavior Aisha Khan,AI,2025-02-19 *Genre Reader Behavior* explores the critical role of understanding reader behavior in the modern publishing world particularly within the Business and Social Science General genres It emphasizes that connecting with readers requires more than just publishing it demands a deep dive into reading habits preferences and consumption trends The book argues for a data driven approach demonstrating how targeted content and marketing strategies informed by reader insights can significantly boost a book s impact For example understanding preferred formats or motivations for reading allows authors and publishers to tailor their approach effectively The book dives into reader psychology and market research exploring how reviews author branding and accessibility influence book consumption By integrating data from diverse sources and blending quantitative analysis with qualitative insights it provides a holistic view of the reading ecosystem Ultimately *Genre Reader Behavior* equips authors publishers and marketers with actionable strategies to refine content optimize marketing and build stronger reader relationships ensuring success in a competitive landscape

Corporate Risks and Leadership Eduardo E. Mariscotti,2025-04-24 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal with this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales

plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves This book covers theories of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to this book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This second edition offers various examples to cultivate ethical thinking and behavior identify common risks and comprehend their adverse effects on organizations

Words Onscreen Naomi S. Baron, 2015-01-09 People have been reading on computer screens for several decades now predating popularization of personal computers and widespread use of the internet But it was the rise of eReaders and tablets that caused digital reading to explode In 2007 Amazon introduced its first Kindle Three years later Apple debuted the iPad Meanwhile as mobile phone technology improved and smartphones proliferated the phone became another vital reading platform In Words Onscreen Naomi Baron an expert on language and technology explores how technology is reshaping our understanding of what it means to read Digital reading is increasingly popular Reading onscreen has many virtues including convenience potential cost savings and the opportunity to bring free access to books and other written materials to people around the world Yet Baron argues the virtues of eReading are matched with drawbacks Users are easily distracted by other temptations on their devices multitasking is rampant and screens coax us to skim rather than read in depth What is more if the way we read is changing so is the way we write In response to changing reading habits many authors and publishers are producing shorter works and ones that don't require reflection or close reading In her tour through the new world of eReading Baron weighs the value of reading physical print versus online text including the question of what long standing benefits of reading might be lost if we go overwhelmingly digital She also probes how the internet is shifting reading from being a solitary experience to a social one and the reasons why eReading has taken off in some countries especially the United States and United Kingdom but not others like France and Japan Reaching past the hype on both sides of the discussion Baron draws upon her own cross cultural studies to offer a clear eyed and balanced analysis of the ways technology is affecting the ways we read today and what the future might bring

The Newbie Author's Survival Guide A.K. Taylor, 2016-11 After crash landing into self publishing with nothing but the clothes she had on author AK Taylor fought for survival with trying to market her books on a small budget After two years of trial and error

reworking refining and reaching out she has created the first survival guide for book marketing compiled of great tools and resources that can be used by any author during the rough times Comparing the book marketing wilderness with the real wilderness is how Taylor viewed the publishing world around her Growing up in the woods and learning survival skills has given her this unique viewpoint for a different kind of world When she started her search for information a book marketing survival guide didn't exist until now Short Have you ever been lost in the wilderness Being lost in the wilderness is more dangerous and scarier than being lost anywhere else and more things can happen Book marketing is just like being lost in the real wilderness with pitfalls dangerous plants and animals and knowing what is needed to survive during the rough times Using outdoor survival skills and applying them to book marketing AK Taylor has created the first survival guide for book marketing on a small budget *Children Reading for Pleasure in the Digital Age* Natalia Kucirkova, Teresa

Cremin, 2020-06-15 What does it mean to become a reader What are the challenges and opportunities of engaging children in reading for pleasure in the 21st century This book explores the ways in which reading for pleasure is changing in the era of globalisation multiculturalism and datafication Raising the next generation of engaged readers requires knowledge of the enduring characteristics of engagement and markers of quality in books and e books In addition in order to develop new insights into children's experience of reading on and off screen nuanced understandings of psychological and socio cultural research are offered The cross disciplinary examination integrates key research from educational psychology new literacies multimodality and socio cultural perspectives and explores consequences for practice An authoritative guide it invites graduates researchers and teachers to participate in the authors interdisciplinary dialogue about reading for pleasure

Crimson Flames Ashley Robertson, 2013-02-25 Half vampire Abby Tate is determined to learn more about the sorceress powers that were awakened inside her when she was turned into a vampire making her a whole new hybrid species There's a group of rogue vamps banding together and forming a Resistance against the vampire governing body The Head Council and Abby's newly discovered powers are the key to the Council's victory Now the Resistance will do anything possible to remove the hybrid threat and with no other options Abby is forced to rely on the aid of the Council yet can she trust the very vampires that hunt for her human lover And even worse can she fight the unwelcome attraction that's growing between her and one of those ancient vampire rulers
