Pay To Play Dieting The Backslide Terminator:

Pay to Play Dieting Kenneth R. Laws, 2014-04-17 The book truly is The Backslide Terminator While Pay to Play Dieting holistically targets backsliding the book is aptly named Pay to Play because it s a collection of methods whereby a cost is associated with any part of a diet that s high in calories Be sure to Look Inside in order to read the first chapter and the excerpt below from the chapter The Deal Breaker Logic said that I had stumbled on why it s so easy to backslide People save their fat clothing just in case I spent the next few days wrestling with the concept I came up with the six truths of backsliding 1 Keeping the large clothing assumes I will need them 2 Keeping the clothing left open the door to backslide with impunity 3 Removing the larger clothing meant that the smaller clothing would become my alarm system 4 When my clothing became tight this meant that I had to step up the pay system intensity or cut down on the meals 5 The decision of keeping or getting rid of the clothes was going to determine if my weight maintenance plan would succeed or fail 6 Keeping large clothing was a deal breaker I needed to stop dieting or get rid of the clothes It took a few weeks to come to grips with my choice I just let it go All my jeans and my oversized pull over shirts all went to Goodwill At first there was remorse but then I felt empowered with the knowledge that my diet was going to work forever I have since named this small part of my maintenance plan The Backslide Terminator
