

The background of the book cover is a photograph of a wooden cutting board. On the board, there are several fresh red tomatoes, some whole and some sliced. A small glass jar of dressing is visible. In the bottom left corner, there is a white bowl filled with a green salad, including lettuce, tomatoes, and small pieces of protein. A silver fork and spoon are also on the board, with a tomato slice resting on the spoon. The overall theme is healthy, natural food.

sexual ethics Can John Stuart Mill help the church understand toleration Are there lessons for the Christian world from writers like Marx Nehru Shelley Popper and Hume Atheism for Christians looks at the work of some of the most influential secular thinkers and asks what Christians can learn without giving up their faith or core values Looking at important modern issues such as gender equality same sex marriage creationism and evolution abortion universal health biblical literalism and religious tribalism this work offers a fresh perspective on old questions The Bible says the value of wisdom is far above rubies It should not matter where that wisdom comes from The Christian world should be able to celebrate and learn from the intellectual giants in the secular tradition just as atheists can still appreciate the great academic and artistic contribution of Christianity The nexus between faith and reason is sometimes stretched but should never be abandoned Atheism for Christians offers a unique insight into the work of some of the greatest secular thinkers and argues there is much to learn
