Graphic Novels and Comics as World Literature James Hodapp, 2022-04-07 Graphic narratives are one of the world's great art forms but graphic novels and comics from Europe and the United States dominate scholarly conversations about them Building upon the little extant scholarship on graphic narratives from the Global South this collection moves beyond a narrow Western approach to this quickly expanding field By focusing on texts from the Middle East Africa Latin America and Asia these essays expand the study of graphic narratives to a global scale Graphic Novels and

Comics as World Literature is also interested in how these texts engage with fit in with or complicate notions of World Literature The larger theoretical framework of World Literature is joined with the postcolonial decolonial Global South and similar approaches that argue explicitly or implicitly for the viability of non Western graphic narratives on their own terms Ultimately this collection explores the ways that the unique formal qualities of graphic narratives from the Global South intersect with issues facing the study of international literatures such as translation commodification circulation Orientalism and many others

Black, Brown, Bruised Ebony Omotola McGee, 2021-02-01 2022 PROSE Award Finalist Drawing on narratives from hundreds of Black Latinx and Indigenous individuals Ebony Omotola McGee examines the experiences of underrepresented racially minoritized students and faculty members who have succeeded in STEM Based on this extensive research McGee advocates for structural and institutional changes to address racial discrimination stereotyping and hostile environments in an effort to make the field more inclusive Black Brown Bruised reveals the challenges that underrepresented racially minoritized students confront in order to succeed in these exclusive usually all White academic and professional realms The book provides searing accounts of racism inscribed on campus in the lab and on the job and portrays learning and work environments as arenas rife with racial stereotyping conscious and unconscious bias and micro aggressions As a result many students experience the effects of a racial battle fatigue physical and mental exhaustion borne of their hostile learning and work environments leading them to abandon STEM fields entirely McGee offers policies and practices that must be implemented to ensure that STEM education and employment become more inclusive including internships mentoring opportunities and curricular offerings Such structural changes are imperative if we are to reverse the negative effects of racialized STEM and unlock the potential of all students to drive technological innovation and power the economy

Prince and Popular Music Mike Alleyne, Kirsty Fairclough, 2020-05-14 Prince s position in popular culture has undergone only limited academic scrutiny This book provides an academic examination of Prince encompassing the many layers of his cultural and creative impact It assesses Prince s life and legacy holistically exploring his multiple identities and the ways in which they were manifested through his recorded catalogue and audiovisual personae In 17 essays organized thematically the anthology includes a diverse range of contributions taking ethnographic musicological sociological gender studies and cultural studies approaches to analysing Prince s career
