

A romantic scene in a field at sunset. A man in a light-colored shirt and dark pants is embracing a woman in a white dress. They are standing in a field of tall grass, with a large tree on the left and a body of water in the background. The sky is a warm, golden color from the setting sun.

The Routledge Companion to Jane Austen Cheryl A. Wilson, Maria H. Frawley, 2021-10-13 First published anonymously as a lady Jane Austen is now among the world's most famous and highly revered authors. The Routledge Companion to Jane Austen provides wide-ranging coverage of Jane Austen's works, reception, and legacy with chapters that draw on the latest literary research and theory and represent foundational and authoritative scholarship as well as new approaches to an author whose works provide seemingly endless inspiration for reinterpretation, adaptation, and appropriation. The Companion provides up-to-date work by an international team of established and emerging Austen scholars and includes exciting chapters not just on Austen in her time but on her ongoing afterlife, whether in the academy and the wider world of her fans or in cinema, new media, and the commercial world. Parts within the volume explore Jane Austen in her time and within the literary canon, the literary critical and theoretical study of her novels, unpublished writing, and her correspondence, and the afterlife of her work as exemplified in film, digital humanities, and new media. In addition, the Companion devotes special attention to teaching Jane Austen.

The Persuasive Preacher David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering, manipulating, or coercing people? Sadly, we are seeing the fall of many pastors, not for reasons of sexual immorality but the pursuit of pride and power. The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church. The lure of success is seductive, turning pastors into hucksters and Christians into consumers. We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power. David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first-century church and applies them to pastoral ministry today. God calls preachers to be ethical and effective persuaders. David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science, along with practical illustrations from his years of ministry. He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God. *Journal of Moral Theology, Volume 12, Issue 1*
