The Bible in American Life Philip Goff, Arthur Emery Farnsley, Peter Johannes Thuesen, 2017 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context The Bible in American Life provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment **The Hidden Lives of Dreams** Melinda

Grasping Truth and Reality Donald Le Roy Stults, 2009-02-26 When Lesslie Newbigin returned to Britain in 1974 after years of missionary service he observed that his homeland was as much a mission field as India where he had spent the majority of his missionary career He concluded that the Western world needed a missionary confrontation Instead of the traditional approach to missions however Newbigin realized that the Western world needed to be confronted theologically

From his earliest days at Cambridge University Newbigin developed the theological convictions that shaped his understanding of the Christian faith and he used these theological convictions as criteria to evaluate the belief system of Western culture and to provide an answer to its dilemma The Enlightenment reintroduced humanism and dualism into Western culture which resulted on the loss of purpose and the rise of scepticism This book discusses Newbigin's theological convictions and how they factored into both his critique of and his solution to Western culture's spiritual and worldview problems Donald Le Roy cleverly explains Newbigin's solution to reintroduce the Christian belief system into Western culture in order to restore purpose and truth to Westerners and put them back in contact with true reality through Jesus Christ

materia New Statesman ,2005 Poets & Writers ,2005 *Biblical Principles of Dream Interpretation* Dr. D. K. Olukoya,2014-06-30 Throughout the scriptures we have discovered some outstanding characters who remain symbols of excellence till date The characters attained great feats and broke new ground after experiencing a life changing encounter with God The author with the pen of a ready writer skilfully draws powerful principles from their experiences These principles are laid bare for the modern day Christian to apply in their personal walk with God This book will help you experience the divine presence which will move your life forward You would receive spiritual vision The way of divine encounter will take you to a realm where demons will see you and tremble and evil powers will be frightened stiff when they discover the transforming power of an encounter with God The book will flag off a new passion for God in your life **Arts & Humanities Citation Index** ,2000 **A to Z Christian Dream Symbols Dictionary** John Mark Volkots,2016-03-17 Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close Therefore it is imperative and even critical for God s people to place themselves in a position to hear what He is speaking and directing us to do in these times From the beginning of time dreams have been a major way that God speaks to His people therefore it is important for us to understand the messages in the dreams that He gives us Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean if we are to understand the message God is communicating to us through our dreams There are many excellent Christian teachings on dream interpretation and rather than bring forth material that is already available my desire instead is to place in your hands over 2400 symbols with most of them having a multitude of meanings to assist and train you in unlocking the mysteries of not only your dreams but also the dreams of others Since it is God s voice alone we want to hear and understand we have no interest in knowing how the world that is out of touch with God interprets dream symbols Every interpretation must be God derived otherwise we will not be receiving the truth of what He desires us to know For that reason the overwhelming majority of the symbol meanings found in this book are derived from the Bible with the remainder sourced from tested Christian dream courses teachers and from interpreting the dreams of Christians God desires you to know what He is speaking to you so be encouraged that with the help of this book you will be able to unlock the meanings and messages of your dreams **Cracking the Dream Code** Jumoke Ayo-Ajayi,2020-09-23 From Back Cover Finally A beginner friendly book about Christian dream interpretation Everyone has dreams but not everyone can make sense of them In her debut publication *Cracking the Dream Code* Jumoke shares her years of experience in breaking through the mystery of dream interpretation and breaking down what your subconscious and spirit are really trying to tell you Rooted in biblical principals and with easy to apply teachings *Cracking the Dream Code* will give you the tools you need to Understand why we receive dreams How to classify if a dream is from God the enemy or yourself Efficiently and effectively interpret dreams using 3 step system Identify characters and common themes Apply what has been taught through various examples About the
