TODAY'S YOUTH

[illegible][illegible][illegible]

[4] Some people, especially in the U.S., are concerned that the use of computers, rather than their hands, in the type of activities and tasks that are necessary to control cars, might prevent us from actually achieving better control. But, these people do not usually realize how much better they can do things on their own, like driving, when they are not using computers and machines. (1988) In driving, the computer is not the driver, it is only the driver's assistant.
