Banned in Boston is a story of two hookers fun loving content with their lives and anxious to be innovative with their customers Kelly Ann is young eager to learn and make a success of being in the life Dianna is anxious to teach her and bring her into the business Why do men prefer hookers call girls paying money for what is otherwise offered freely This book gives some of the answers along with some of the innovative ideas the girls use in their house Each room opens up ideas of the various fantasies that the clients have requested Each client has his own way of enjoying the fantasy After a time they add a man to their house something for the ladies In his own way Paul uses the same rooms with different fantasies to the delight of several women If you've ever wanted to spice up your romance this book is for you full of ideas you will enjoy *Fate of a Royal* Meagan Brandy,Amo Jones,2025-07-29 You will go to Rathe University live among the giftless and those of light magic You Knight Deveraux will learn to coexist I've never heard more wasted words in my life Then again the gifted counsel never did have much to say that wasn't The only members amongst them who speak a thing worth listening to are my parents the King and Queen of the Stygian's the people of Dark Magic Unfortunately for me and my brothers they've chosen to play nice

instead of sinking their talons into anyone who dares demand a thing from their heirs In this instance at least Every gifted is forced to leave our realm behind after graduation to spend the next four years in a world that isn't ours while pretending it is enough for those with something deeper clawing beneath their skin It isn't Not by a long shot and while it's as boring as I thought it would be we find ways to entertain ourselves A little Fae Dust the power of persuasion and it's a party worthy of a royal or four That was fun the first year but it's my second now and the minute I got back to campus I knew it would be worse than before I felt it that pull buried beneath my skin the whisper of a warning deep in my mind I could hear but couldn't reach It starts with a human party and ends with a nightmare A five foot white haired one With eyes like ice and a body begging to be bitten she's a problem A giftless one That's right she's human Worthless And if the shadow circling my soul is telling me what I think it is she belongs to it My new obsession is my fated mate But there is no way the fates would give me a Lord of Rathe a heir to the throne of dark magic a giftless girl I'll prove they got it wrong That she's not mine If I'm lucky I'll destroy her in the process

Never Mate a S*x Demon CHRIS. LABEAU,2024-10-21 The door opened slowly and leaning against the doorframe stood the man of my dreams People say things happen when you least expect them and it's true Because I certainly didn't expect to step up in a dream one night and meet Adrian a hot as sin charming flirtatious stranger His beauty is otherworldly and his seduction flawless for good reasons since he's an incubus Since my dad's death leaving me alone on this planet I've felt like I'm barely existing But what if this sex demon is precisely what I need to mend my heart and get my life back on track After all the deal he's offering me is quite simple he gets my energy I get mind shattering orgasms with no strings attached and just a little smudge on my soul I accept on two conditions he'll be my companion and for one month only But as time goes by what started as a casual fling turns into something so much deeper Despite my best efforts I find myself more and more drawn to Adrian every night The secrets the demon is keeping from me only add to the lure of the deeply wounded being I can sometimes see under his carefully constructed mask of seduction Now my life is a mess and my heart is in turmoil It doesn't help when I find out that my handsome colleague at work is crushing hard on me And I can't say I'm immune to Ethan's charms either As Adrian burrows his way into my life a little deeper each day I can't help but wonder if falling for a demon is really a good idea Will I be enough to quench his never ending hunger or will we have to find some unusual solution One thing is certain now that I've invited the supernatural into my life my world will never be the same for better and for worse Never Mate a S x Demon is the first novel of a series of four books and is destined for mature readers only for there are many graphic scenes of intimacy as well as some disturbing themes Adrian is hot as hell you might end up burned if you don't check the triggers before reading Oh one last thing mind the cliff You've been warned
