When the weather disagrees with your fitness plan, walk inside. Every step you take each day counts no matter where you do it!

🧘
Repeat your word with every inhalation and exhalation to help you stay focused on what you want to achieve.

🪞
Watch yourself in a mirror when you work out so you can see your form. Even though it may feel goofy at first, smile at yourself.

🧘
A quick whole body stretch: Stand up, root your feet into the ground and reach your arms to the sky, stretching as high as you can. Then totally relax. Repeat.
