The Works of John Galsworthy John Galsworthy, 1922 **The Forsyte Saga** John Galsworthy, 2020-03-25T22:15:30Z

Between 1906 and 1921 John Galsworthy published three novels chronicling the Forsyte family a fictional upper middle class family at the end of the Victorian era The Man of Property In Chancery and To Let In 1922 Galsworthy wrote two interconnecting short stories to bind the three novels together and published the whole as The Forsyte Saga While the novels follow the Forsyte family at large the action centers around Soames Forsyte the scion of a nouveau riche London tea merchant his wife Irene and their unhappy marriage Soames and his sprawling family are portrayed as stereotypes of unhappy gilded age wealth their family having entered the industrial revolution poor farmers and emerged as wealthy bourgeoisie Their rise was powered by their capacity to acquire won at the expense of their capacity for almost anything else Thematically the saga focuses on the mores of the wealthy upper middle class which was still a newish feature in the class landscape of England at the time duty honor and love and the rapidly growing differences across generations occurring in a period of war and social change The characters are complex and nuanced and the situations they find themselves in both of their own making and of the making of society around them provide a rich field for analyzing the close of the Victorian age the dawn of the Edwardian age and the societal frameworks that were forged in that frisson Galsworthy went on to win the Nobel Prize in Literature in 1932 for The Forsyte Saga one of the rare occasions in which the Swedish Academy has awarded a prize for a specific work instead of for a lifetime of work This book is part of the Standard Ebooks project which produces free public domain ebooks
