Beck, Stellina M.A. Chapman, Nathaniel Simmons, Kelly E. Tenzek, Stephanie M. Ruhl, 2015-07-27 We follow celebrities on Twitter and Facebook watch them on television and read about them in supermarket checkout lines Our relationship with celebrities has never been so immediate Their personal trials are news headlines and water cooler talk Offering the first extensive look at celebrity health sagas this book examines the ways in which their stories become our stories influencing public perception and framing dialog about wellness disease and death These private yet public narratives drive fund raising reduce stigma and influence policy Celebrities such as Mary Tyler Moore Robin Roberts Michael J Fox and Christopher Reeve as well as 200 others included in the study have left a lasting

legacy     *The Complete Cookbook for Diabetics* James Hewitt,2015-11-03 This book provides a wide variety of lip smacking mouthwatering recipes This book is written for people who are trying to live with diabetes lower their blood sugar or just eat healthier This book is filled with good tasting foods As an added bonus a few individual mixed drinks are also included

*Unpalatable* Carrie Helms Tippen,2025-01-15 The cookbook genre is highly conventional with an orientation toward celebration and success From glossy photographs to heartwarming stories and adjective rich ingredient lists the cookbook tradition primes readers for pleasure Yet the overarching narrative of the region is often one of pain loss privation exploitation poverty and suffering of various kinds While some cookbook writers go to great lengths to avoid reminding readers of this painful past others invoke that pain as a marker of southern authenticity Still others use stories of southern suffering as an opportunity to make space for reconciliation reparation or apology for past wrongs In *Unpalatable Stories of Pain and Pleasure in Southern Cookbooks* author Carrie Helms Tippen attempts to understand the unique rhetorical situation of the southern cookbook as it negotiates a tension between the expectations of the genre and the prevailing metanarratives of the southern experience one focused on pleasure and the other rooted in pain Through an analysis of commercially published southern cookbooks from the 1990s to the present Tippen examines the range of rhetorical purposes and strategies writers have employed some of which undermine the reality of a painful past and cause harm or violence and others which serve as tools for truth and reconciliation     In the Kingdom of the Sick Laurie Edwards,2014-07-08 Draws on scientific research and patient narratives to explore the role of social media in medical advocacy arguing that society must change attitudes about the link between health and lifestyle and provide appropriate and compassionate treatments

**Science...For Her!** Megan Amram,2015-11-17 Megan Amram one of Forbes 30 Under 30 in Hollywood tips for hosting your own big bang what religion is right for your body type and the most pressing issue facing women today kale Be prepared to laugh about anything in this outrageous satirical gem     *Censored 2015* Mickey Huff,Andy Lee Roth,Project Censored,2014-10-07 Every year since 1976 Project Censored our nation s oldest news monitoring group a university wide project at Sonoma State University founded by Carl Jensen directed for many years by Peter Phillips and now under the leadership of Mickey Huff has produced a Top 25 list of underreported news stories and a book *Censored* dedicated to the stories that ought to be top features on the nightly news but that are missing because of media bias and self censorship A perennial favorite of booksellers teachers and readers everywhere *Censored* is one of the strongest life signs of our current collective desire to get the news we citizens need despite what Big Media tells us     **Taste** Sarah E. Worth,2021-11-11 A thoughtful consideration of taste as a sense and an idea and of how we might jointly develop both When we eat we eat the world taking something from outside and making it part of us But what does it taste of And can we develop our taste In *Taste* Sarah Worth argues that taste is a sense that needs educating for the real pleasures of eating only come with an understanding of what one really likes From taste as an abstract concept to real examples of food she explores how we can

learn about and develop our sense of taste through themes ranging from pleasure authenticity and food fraud to visual images recipes and food writing      *The Joy of Eating* Jane K. Glenn,2021-11-05 This volume explores our cultural celebration of food blending lobster festivals politicians roadside eats reality show chef showdowns and gravity defying cakes into a deeper exploration of why people find so much joy in eating In 1961 Julia Child introduced the American public to an entirely new joy infused approach to cooking and eating food In doing so she set in motion a food renaissance that is still in full bloom today Over the last six decades food has become an increasingly more diverse prominent and joyful point of cultural interest The Joy of Eating discusses in detail the current golden age of food in contemporary American popular culture Entries explore the proliferation of food themed television shows documentaries and networks the booming popularity of celebrity chefs unusual exotic decadent creative and even mundane food trends and cultural celebrations of food such as in festivals and music The volume provides depth and academic gravity by tying each entry into broader themes and larger contexts in relation to a food themed reality show for example discussing the show s popularity in direct relation to a significant economic event providing a brief history behind popular foods and types of cuisines and tracing the evolution of our understanding of diet and nutrition among other explications      **Food and Drink in American History** Andrew F. Smith,2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history      The Food Network Recipe Emily L. Newman,Emily Witsell,2021-04-06 When the Television Food Network launched in 1993 its programming was conceived as educational it would teach people how to cook well with side trips into the economics of food and healthy living Today however the network is primarily known for splashy celebrity chefs and spirited competition shows These new essays explore how the Food Network came to be known for consistently providing comforting programming that offers an escape from reality where the storyline is just as important as the food that is being

created It dissects some of the biggest personalities that emerged from the Food Network itself such as Guy Fieri and offers a critical examination of a variety of chefs feminisms and the complicated nature of success Some writers posit that the Food Network is creating an engaging important dialogue about modes of instruction and education and others analyze how the Food Network presents locality and place through the sharing of food culture with the viewing public This book will bring together these threads as it explores the rise development and unique adaptability of the Food Network White Negroes Lauren Michele Jackson,2019-11-12 Exposes the new generation of whiteness thriving at the expense and borrowed ingenuity of black people and explores how this intensifies racial inequality American culture loves blackness From music and fashion to activism and language black culture constantly achieves worldwide influence Yet when it comes to who is allowed to thrive from black hipness the pioneers are usually left behind as black aesthetics are converted into mainstream success and white profit Weaving together narrative scholarship and critique Lauren Michele Jackson reveals why cultural appropriation something that s become embedded in our daily lives deserves serious attention It is a blueprint for taking wealth and power and ultimately exacerbates the economic political and social inequity that persists in America She unravels the racial contradictions lurking behind American culture as we know it from shapeshifting celebrities and memes gone viral to brazen poets loveable potheads and faulty political leaders An audacious debut White Negroes brilliantly summons a re interrogation of Norman Mailer s infamous 1957 essay of a similar name It also introduces a bold new voice in Jackson Piercing curious and bursting with pop cultural touchstones White Negroes is a dispatch in awe of black creativity everywhere and an urgent call for our thoughtful consumption **Toss Your Own Salad** Eddie McNamara,2017-06-20 Eddie comes on strong but behind the attitude there s an honest stripped down back to basics approach to cooking real food If you ever wanted to go from watching cooking shows to actually cooking this is where you begin Amanda Cohen author Dirt Candy A Cookbook and chef owner of the famous NYC vegetarian restaurant of the same name Takeout food every night is great for leaving you broke bloated and praying for a national healthcare plan to deal with your fat ass self Eddie McNamara wants to show you how to stop being a takeout junkie or a Gordon Ramsay wannabe who spends years learning complex knife skills you don t need He also wants to show you how to pump up the flavor without resorting to using meat because really who needs to eat more meat As Eddie puts it Any schmuck can put bacon on something to make it delicious He wanted to show people how easy it was to cook delicious meatless meals for themselves rather than gorging more fat and salt on a daily basis than you d see in a bucket of KFC He also wanted to show people that you don t have to be Warren Buffett to eat well As he puts it Brokesters have cooked filling plant based food since long before Mark Bittman moved to Berkeley in search of a perfectly ripe avocado That s how his popular tumblr Toss Your Own Salad got started and now morphed into this awesome meatless cookbook that will get you to rock out over 100 recipes for dishes like The Green Inferno Salad Dr Devash s Shakshuka Nihilistic Frittata and Penne Tikka Masala with an Eddie curated soundtrack that spans the musical range from
