used the event to contribute to the drawing of a line under an old world that pitched his homeland into regular bouts of bloody strife He along with his production team mounted what in modern days could be termed a PR event in which the King was dressed in tartan and was greeted by his people many of whom were also dressed in similar tartan ceremonial dress This form of dress proscribed after the 1745 rebellion against the English became one of the seminal potent and ubiquitous symbols of Scottish identity *Paul's Letters to His Kinsfolk.
