with real life stakes With just the right cliff hanger ending this trilogy opener shows promise *Booklist* *Game Over* Andrew Klavan, 2016-01-05 This time there's no escape from The Realm The MindWar Realm is a computerized world created by a deranged terrorist named Kurodar Built through a link between Kurodar's mind and a network of supercomputers The Realm is a pathway through which the madman can project himself into any computer system on the planet Twice before Rick Dial has entered the Realm as a Mind Warrior and come back alive But now something has gone terribly wrong A connection has formed in Rick's brain that sends him hurtling into The Realm without his consent and brings the Realm's monsters into the Real World As Kurodar works to turn Rick's brain to his own purposes Rick's waking and sleeping life is ravaged by terrors he never imagined Rick knows he has no choice but to face The Realm's final and most powerful protector But can Rick destroy MindWar without destroying himself and the people he loves **The Great Good Thing** Andrew Klavan, 2016-09-20 No one was more surprised than Andrew Klavan when at the age of fifty he found himself about to be baptized The Great Good Thing tells the soul searching story of a man born into an age of disbelief who had to abandon everything he thought he knew in order to find his way to the truth Best known for his hard boiled white knuckle thrillers and for the movies made from them among them True Crime and Don't Say a Word bestselling author and Edgar Award winner Klavan was born in a suburban Jewish enclave outside New York City He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked How can I be certain in my faith What's the truth and how can I know it's the truth How can you think live and make choices and judgments day by day if you don't know for sure In The Great Good Thing Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown In those years Klavan fought to ignore the insistent call of God a call glimpsed in a childhood Christmas at the home of a beloved babysitter in a transcendent moment at his daughter's birth and in a snippet of a baseball game broadcast that moved him from the brink of suicide But more than anything the call of God existed in stories the stories Klavan loved to read and the stories he loved to write Join Klavan as he discovers the meaning of belief the importance of asking tough questions and the power of sharing your story *Empire of Lies* Perseus, 2010-06-29 The new thriller from the New York Times bestselling author of True Crime
