The Secret History of the Gnostics Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaeans in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **John the**

Baptist and the Last Gnostics Andrew Phillip Smith, 2016-08-16 Are there still Gnostics and can their roots be chased back to John the Baptist Among the casualties of the western intervention in Iraq and the recent activities of ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the centre of their religious life and the primary exemplar of their religion is none other than John the Baptist What is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond Mindful Philosophy Michael J Snow, 2019-04-27

This book is a wholly life affirming and positive account of how spiritual evolution is the domain of all of us whether we realize and accept it or not It is very practical and down to earth It explains how the great spiritual traditions of the world agree to a surprisingly wide extent as to what in essence a human being is comprised how the truth of really and truly what we are may be realized and under what circumstances true and lasting happiness can be availed The book shows how what is now known as mindfulness is in truth part of the essential make up of us all and how it comprises something of the utmost value if it is perceived as a path not just to therapeutic well being but to spiritual realization The book outlines just how

accessible this subject is because it is essentially practical It uses examples from across the globe and down the ages from many traditions cultures and religions but does so in a manner free of dogma and with a light touch The reader is encouraged to investigate and given various exercises and ideas to use One is left with the feeling that the outcome and destiny of all of us is actually blissful and full of love and well being and that is entirely within reach of all of us if we are prepared to approach this vast subject with an open mind and an open heart
