Book Think Where You're Going Wrong:

My Thinking Book Pat Lamb, 2018-10-10 Why are there wars If I am really good will I go to heaven Why are some people mean to others Children have many questions They deserve truthful answers to their questions As they learn the truth a foundation of understanding is being established that will last a lifetime This book gives truthful answers in a concise way to stimulate thinking and conversation about many topics bothering children What a confusing world our children are facing Often our efforts to make everything fun and easy simply confuse children all the more The earlier in life children can understand answers to their questions based on the Scripture the easier their future will be Children are constantly required to make decisions Without the correct knowledge how can they make the right decisions *My Thinking Book* is designed for children to read for themselves or have it read to them Unless otherwise noted Scripture is taken from the New King James Version of the Bible Although reading ability varies generally third graders or above can read it Parents may choose to read *My Thinking Book* to the children to provide a springboard for conversation A parent would do well to make *My Thinking Book* available for every child

THE COLLECTED WORKS OF WALLACE D. WATTLES (10 Books in One Edition) Wallace D. Wattles, 2017-08-07 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices Wallace Delois Wattles 1860 1911 was an American author As a New Thought writer he remains personally somewhat obscure but his writing has been widely quoted and remains in print in the New Thought and self help movements Wattles often travelled to Chicago where he gave Sunday night lectures among several leading New Thought authors He studied the writings of Georg Wilhelm Friedrich Hegel and Ralph Waldo Emerson and recommended the study of their books to his readers who wished to understand what he characterized as the monistic theory of the cosmos Wattles best known work is a 1910 book called *The Science of Getting Rich* in which he explained how to become wealthy

Table of Contents *The Science of Trilogy The Science of Getting Rich The Science of Being Well The Science of Being Great Other Works Hellfire Harrison A Novel Jesus The Man and His Work A New Christ How to Get What You Want Making of the Man Who Can or How to Promote Yourself New Science of Living and Healing or Health Through New Thought and Fasting The Personal Power Course Ten Lessons in Constructive Science The Science of Getting Rich* was a major inspiration for Rhonda Byrne's bestselling book and film *The Secret* 2006 In *The Science of Getting Rich* Wattles explains how can a person overcome mental barriers and how creation not competition is the hidden key to wealth attraction *The Science of Being Well* is not a philosophical treatise but a practical guide and handbook for those whose main goal is health *The Science of Being Great* is a personal self help book of the author
