Book Jesus A Theography:

Jesus Leonard Sweet, Frank Viola, 2012 Jesus says All Scripture points to me John 5:39 But what does that mean exactly The 27 books of the New Testament are largely a commentary on the Old Testament and each part of the Bible is a signpost to Jesus Once this is properly understood everything changes

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Well-Played Life Leonard Sweet, Leonard I. Sweet, 2014 Discusses the role of play in a relationship with God describing how joy creativity and enjoyment are important elements of the spiritual life

Theography Rev. Jeff Wilkinson, 2025-07-31 The idea for this book originated in Playa del Carmen Mexico My wife Lowry and I were vacationing when we met a charming European couple We were poolside under the palm trees when the conversation turned to spiritual matters The gentleman I believe his name was Peter informed me that he didn't believe in God How could so much evil exist in the world if there was a God I was considering my reply when we both heard a small child laughing and giggling in the pool We both smiled and I started looking around We were sitting under a palm tree watching the ocean enjoying each other's company It occurred to me that if we are going to blame God for the bad things of this world we have to give Him credit for the good I believe that God intervened with my response to that gentleman I'm certainly not wise enough to come up with that response on my own It made me reflect on my own life I was not living the kind of life that honors God at that time God patiently teaches us He also forgives guys like me who had fallen away The Lord drew me back to Him He also led me to a pastor and church that have helped me grow into my ministry and calling I pray this little book will help us all recognize that God loves us even in a fallen world This fallen world still has sunsets children laughing and smiles from strangers These are all good things that God uses to remind us that He is still around He still loves all of humanity He has proven that love to us through His son Jesus Christ

The Untold Story of the

New Testament Church [Revised and Expanded] Frank Viola, 2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you ll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it s non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing atmosphere of the first century so you can uncover the hidden riches contained in God s Word *The Sacred Overlap* J.R. Briggs, 2020-09-08 The widening of political racial generational and religious differences leads too often to an us vs them mentality The Sacred Overlap communicates a refreshing vision that embraces tension and shows us how to live in radical love and faithfulness between the extremes that isolate and divide people The gospels display how Jesus was committed to crossing the either or waters of the cultural and societal wars of his day His miracles and parables often broke or ignored religious and political lines that seemed all important He comforted the disturbed and disturbed the comfortable Using Jesus example J R Briggs offers a fresh and relevant understanding of evangelism and discipleship in our present time of extreme polarization Without sacrificing biblical integrity The Sacred Overlap is a joyful exploration of the complexity of life in the peace of Christ With careful discernment Briggs Shares creative ways to engage with God s mission of ministering to those who are intrigued by Jesus but turned off by church Explores what it means to be joyful in the midst of heart wrenching pain and earthly suffering Models what it means to maintain a posture of convicted civility which emphasizes both grace and truth The Sacred Overlap helps readers see how Christians are called to live with their feet firmly planted in two different worlds in both heaven and earth living naturally with both the sacred and the ordinary Only then can a Christian be a faithful witness and disciple of Jesus **The Ache for Meaning** Tommy Brown, 2023-09 Will I have enough Am I enough Do I matter Deep in our souls is an ache that longs to be noticed filled transformed And that ache boils down to these three

fundamental questions The extraordinary thing is that we find the answers to all three questions in the temptations of Christ As Jesus faces the wilderness the core needs of every human being are on display the ache to be secure to be approved of to have some control over our lives But the ways that we are tempted to fill these needs inevitably fail In *The Ache for Meaning* Tommy Brown journeys through our questions and temptations into the deeper invitation Jesus offers In the mindsets and practices Christ embodied we discover what kept him centered on his identity and purpose and what equips us to do the same Because when you know where you've come from and where you're going daily temptations toward security approval and power to control pale in comparison to your most significant reality You are a child of God A rich discipleship resource Includes questions for reflection and discussion Features invitations into spiritual disciplines and practices like Scripture meditation Sabbath taking worship and gratitude among others

Insurgence Frank Viola, 2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ In *Insurgence* bestselling author Frank Viola presents a radical proposal for Christians Namely that we have lost the explosive earthshaking gospel of the kingdom that Jesus Paul and the other apostles preached Viola argues that we've lost this dynamic titanic living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism In today's politically charged era Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God Viola challenges and dismantles these perspectives offering a fresh and revolutionary look at the gospel of the kingdom Viola writes with gripping power challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom This high octane message is being reclaimed today launching a spiritual
