Book Over Top Back Autobiography Jones:

Soundtracked Books from the Acoustic Era to the Digital Age Justin St. Clair, 2022-06-15 Offering both a short history and a theoretical framework this book is the first extended study of the soundtracked book as a media form A soundtracked book is a print or digital publication for which a recorded musical complement has been produced Early examples were primarily developed for the children s market but by the middle of the twentieth century ethnographers had begun producing book and record combinations that used print to contextualize musical artifacts The last half century has witnessed the rapid expansion of the adult market including soundtracked novels from celebrated writers such as Ursula K Le Guin Kathy Acker and Mark Z Danielewski While often dismissed as gimmicks this volume argues that soundtracked books represent an interesting case study in media consumption Unlike synchronous multimedia forms the vast majority of soundtracked books require that audience activity be split between reading and listening thus defining the user experience and often shaping the content of singing books as well Mapping the form s material evolution this book charts a previously unconsidered pathway through more than a century of recording formats and packaging strategies emphasizing the synergies and symbioses that characterize the marriage of sound and print As such it will be of value to scholars and postgraduate students working in media studies literary studies and sound studies

Over the Top and Back Sir Tom Jones, 2015-11-24 The long awaited autobiography of legendary singer Tom Jones following six decades of unparalleled experiences in the spotlight to coincide with his 75th birthday Across six decades Sir Tom Jones has maintained a vital career in a risky unstable business notorious for the short lives of its artists With a drive that comes from nothing but the love for what he does he breaks through and then wrestles with the vagaries of the music industry the nature of success and its inevitable consequences Having recorded an expansive body of work and performed with fellow artists from across the spectrum and across every popular music genre from rock pop and dance to country blues and soul the one constant throughout has been his unique musical gifts and unmistakable voice But how did a boy from a Welsh coal mining family attain success across the globe And how has he survived the twists and turns of fame and fortune to not only stay exciting but actually become more credible and interesting with age In this his first ever autobiography Tom revisits his past and tells the tale of his journey from wartime Pontypridd to LA and beyond He reveals the stories behind the ups and downs of his fascinating and remarkable life from the early heydays to the subsequent fallow years to his later period of artistic renaissance It s the story nobody else knows or understands told by the man who lived it and written the only way he knows how simply and from the heart Raw honest funny and powerful this is a memoir like no other from one of the world s greatest ever singing talents This is Tom Jones and *Over the Top and Back* is his story
