### **Book Therapoetics After Actium Narrative Augustan Epic:**

*Therapoetics after Actium* Julia Nelson Hawkins, 2017-12-08 By investigating medical metaphors and narratives within the political and literary milieu of two of the biggest scientific and governmental revolutions in European history *Therapoetics after Actium* not only expands our knowledge of the relationship between medicine and culture but offers an argument for why medicine still needs the humanities

**Augustan Poetry and the Irrational** Philip R. Hardie, 2016 The establishment of the Augustan regime presents itself as the assertion of order and rationality in the political ideological and artistic spheres after the disorder and madness of the civil wars of the late Republic But the classical Apollonian poetry of the Augustan period is fascinated by the irrational in both the public and private spheres There is a vivid memory of the political and military furor that destroyed the Republic and also an anxiety that furor may resurface that the repressed may return Epic and elegy are both obsessed with erotic madness Dido experiences in her very public role the disabling effects of love that are both lamented and celebrated by the love elegists Didactic especially the Georgics and the related Horatian exercises in satire and epistle offer programmes for constructing rational order in the natural political and psychological worlds but at best contain uneasily an ever present threat of confusion and backsliding and for the most part fall short of the austere standards of rational exposition set by Lucretius Dionysus and the Dionysiac enjoy a prominence in Augustan poetry and art that goes well beyond the merely ornamental The person of the emperor Augustus himself tests the limits of rational categorization *Augustan Poetry and the Irrational* contains contributions by some of the leading experts of the Augustan period as well as a number of younger scholars An introduction which surveys the field as a whole is followed by chapters that examine the manifestations of the irrational in a range of Augustan poets including Virgil Horace Ovid and the love elegists and also explore elements of post classical reception

*Philosophy in Ovid, Ovid as Philosopher* Katharina Volk, Gareth D. Williams, 2022 Ovid is celebrated for his intimate engagement with the Greco Roman literary tradition but what of his engagement with the philosophical tradition This volume addresses in new ways many aspects of Ovid's recourse to philosophy across his corpus and thereby seeks to redress what remains a significant lacuna in Ovidian studies

**Vergil and Elegy** Alison Keith, Micah Y. Myers, 2023-04-28 Born in 70 BCE the Roman poet Vergil came of age during a period of literary experimentalism among Latin authors These authors introduced new Greek verse forms and metres into the existing repertoire of Latin poetic genres and measures foremost among them being elegy a genre that the ancients thought originated in funeral lament but which in classical Rome became first person poetry about the poet lover's amatory vicissitudes Despite the influence of notable elegists on Vergil's early poetry his critics have rarely paid attention to his engagement with the genre across his body of work This collection is devoted to an exploration of Vergil's multifaceted relations with elegy Contributors shed light on Vergil's interactions with the genre and its practitioners across classical medieval and early modern periods The book investigates Vergil's hexameter poetry in relation to contemporary Latin elegy

by Gallus Tibullus and Propertius and the subsequent reception of Vergil's radical combination of epic with elegy by later Latin and Italian authors Filling a striking gap in the scholarship Vergil and Elegy illuminates the famous poet's wide ranging engagement with the genre of elegy across his oeuvre

**Pestilence and the Body Politic in Latin Literature** Hunter H. Gardner, 2019-07-11 Scientists, journalists, novelists, and filmmakers continue to generate narratives of contagion stories shaped by a tradition of disease discourse that extends to early Greco-Roman literature Lucretius, Vergil, and Ovid developed important conventions of the western plague narrative as a response to the breakdown of the Roman *res publica* in the mid-first century CE and the reconstitution of stabilized government under the Augustan Principate 31 BCE–14 CE relying on the metaphoric relationship between the human body and the body politic these authors used largely fictive representations of epidemic disease to address the collapse of the social order and suggest remedies for its recovery Theorists such as Susan Sontag and René Girard have observed how the rhetoric of disease frequently signals social, psychological, or political pathologies but their observations have rarely been applied to Latin literary practices *Pestilence and the Body Politic in Latin Literature* explores how the origins and spread of outbreaks described by Roman writers enact a drama in which the concerns of the individual must be weighed against those of the collective staged in an environment signalling both reversion to a pre-historic Golden Age and the devastation characteristic of a post-apocalyptic landscape Such innovations in Latin literature have impacted representations as diverse as Carlo Coppola's paintings of a seventeenth-century outbreak of bubonic plague in Naples and Margaret Atwood's *Maddaddam* Trilogy Understanding why Latin writers developed these tropes for articulating contagious disease and imbuing them with meaning for the collapse of the Roman body politic allows us to clarify what more recent disease discourses mean both for their creators and for the populations they afflict in contemporary media

**Hacking Classical Forms in Haitian Literature** Tom Hawkins, 2023-10-31 This is the first book to study how Haitian authors from independence in 1804 to the modern Haitian diaspora have adapted Greco-Roman material and harnessed it to Haiti's legacy as the world's first anti-colonial nation-state In nine chronologically organized chapters built around individual Haitian authors Hawkins takes readers on a journey through one strand of Haitian literary history that draws on material from ancient Greece and Rome This cross-disciplinary exploration is composed in a way that invites all readers to discover a rich and exciting cultural exchange that foregrounds the variety of ways that Haitian authors have hacked classical forms as part of their creative process Students of ancient Mediterranean cultures will learn about a branch of the Greco-Roman legacy that has never been deeply explored Experts in Caribbean culture will find a robust register of Haitian literature that will enrich familiar texts And those interested in anti-colonial movements will encounter a host of examples of artists creatively engaging with literary monuments from the past in ways that always keep the Haitian experience in central focus Written in a broadly accessible style *Hacking Classical Forms in Haitian Literature* appeals to anyone interested in Haiti, Haitian literature and history, anti-colonial literature, or classical reception studies

### Book Therapoetics After Actium Narrative Augustan Epic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Book Therapoetics After Actium Narrative Augustan Epic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Book Therapoetics After Actium Narrative Augustan Epic has opened up a world of possibilities. Downloading Book Therapoetics After Actium Narrative Augustan Epic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Book Therapoetics After Actium Narrative Augustan Epic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Book Therapoetics After Actium Narrative Augustan Epic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Book Therapoetics After Actium Narrative Augustan Epic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Book Therapoetics After Actium Narrative Augustan Epic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Book Therapoetics After Actium Narrative Augustan Epic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Book Therapoetics After Actium Narrative Augustan Epic Books**
