1987 to 1995 told with great humor heart and insight Using the author s own story the activist education of a well intentioned if somewhat naïve nice gay Jewish theater queen Boy with the Bullhorn intertwines Goldberg s experiences with the larger chronological history of ACT UP the grassroots AIDS activist organization that confronted politicians scientists drug companies religious leaders the media and an often uncaring public to successfully change the course of the AIDS epidemic Diligently sourced and researched Boy with the Bullhorn provides both an intimate look into how activist strategies are developed and deployed and a snapshot of life in New York City during the darkest days of the AIDS epidemic On the occasions where Goldberg writes outside his personal experience he relies on his extensive archive of original ACT UP documents news articles and other published material as well as activist videos and oral histories to help flesh out actions events and the background stories of key activists Writing with great candor Goldberg examines the group s triumphs and failures as well as the pressures and bad behaviors that eventually tore ACT UP apart A story of ordinary people doing extraordinary things from engaging in outrageous media savvy demonstrations to navigating the intricacies of drug research and the byzantine bureaucracies of the FDA NIH and CDC Boy with the Bullhorn captures the passion smarts and evanescent spirit of ACT UP the anger grief and desperation but also the joy camaraderie and sexy campy playfulness and the exhilarating adrenaline rush of activism
