Long ago, America was not its own country. It was part of Great Britain. The king made rules, but many people in America did not like those rules. They had to pay high taxes. They could not help make laws. People were angry. They wanted to be free. In 1775, a war began. It was called the American Revolution. Many people fought in the war. George Washington led the American army. He worked hard to help the people win. In 1776, a paper was written. It said America wanted to be free. That paper was the Declaration of Independence. The war lasted for eight years. In the end, America won. America became a new country. The people could make their own laws.

Highlight the evidence for each answer using the correct color. Then answer the question using a complete sentence.

- 1** [YELLOW] Who was the leader of the American army?

- 2** [PINK] What was the name of the war?

- 3** [BLUE] What important paper was written in 1776?

- 4** Why do you think people wanted to be free from the king?
