

The United States of America

The United States of America is a country in North America. It is made up of 50 states. The capital of the United States is Washington D.C. The United States is a big country with many different types of landscapes, like mountains, forests, deserts, and beaches. The United States is also home to many different types of animals, like bears, eagles, and alligators.

The United States has a lot of history. The first people who lived in the United States were Native Americans. Later, people from Europe came to the United States and started colonies. The United States became an independent country in 1776. The first president of the United States was George Washington.

The United States is known for its culture, too. There are many different types of music that came from the United States, like jazz, blues, and rock and roll. The United States is also known for its food, like hamburgers, hot dogs, and apple pie. Every year, people from all over the world come to the United States to visit famous landmarks, like the Statue of Liberty, the Grand Canyon, and Disneyland.

1. Where is the United States located?

2. How many states are there in the United States?

Gr. 5-8** Brenda Rollins,2016-07-01 This is the chapter slice The Constitution of the U S A Gr 5 8 from the full lesson plan American

Government Break down the complicated system that is the American government to discover how it all works Our resource explores the legislative executive and judicial branches of the federal government to make it easier to understand Learn what a government is its roles and why we need it Recognize that there are several different kinds of government like constitutional monarchy dictatorship and representative democracy Determine which kind of government embodies the United States Find out the purpose of the Constitution and what rights citizens have within their government Make a list of the main ideas for each of the amendments to the Bill of Rights Move through the systems of government to discover how a bill becomes a law Become the president and solve three problems your country is having Aligned to your State Standards and written to Bloom s Taxonomy additional writing tasks crossword word search comprehension quiz and answer key are also included **Comprehension Collection (Gr. 3) , The Education of d/Deaf and Hard of Hearing Children**

Peter V. Paul,2020-02-12 A significant number of d Deaf and hard of hearing d Dhh children and adolescents experience challenges in acquiring a functional level of English language and literacy skills in the United States and elsewhere To provide an understanding of this issue this book explores the theoretical underpinnings and synthesizes major research findings It also covers critical controversial areas such as the use of assistive hearing devices language and literacy assessments and inclusion Although the targeted population is children and adolescents who are d Dhh contributors found it necessary to apply our understanding of the development of English in other populations of struggling readers and writers such as children with language or literacy disabilities and those for whom English is not the home language Collectively this information should assist scholars in conducting further research and enable educators to develop general instructional guidelines and strategies to improve the language and literacy levels of d Dhh students It is clear that there is not a one size fits all concept but rather research and instruction should be differentiated to meet the needs of d Dhh students It is our hope that this book stimulates further theorizing and research and most importantly offers evidence and reason based practices for improving language and literacy abilities of d Dhh students Improving Reading Comprehension of Self-Chosen Books Through Computer Assessment and Feedback
