Mexico isn't exactly sin city but that doesn't keep this quiet little town from seeing its share of unexpected murders. And while Skye O'Malley, owner of the Levitation Latte coffee shop, might be doing her best to lead a quiet life, she finds herself called to bring her talent reading tea leaves and having a prophetic dream here and there to solve those crimes. Lattes and Levitation is a lighthearted small town mystery series with an overarching romance subplot that carries throughout the books. This boxed set includes the first three books in the Lattes and Levitation paranormal cozy series: Caffeine Before Curses, Skye's witch powers are nothing special. When a film crew comes to town, though, those powers are put to the test when the film star her unrequited crush is accused of murder. Max needs a miracle, but if Skye's tea leaves are too murky, a killer could get away clean. Muffins After Magic: When Skye and Max discover the dead body of the town mayor in the harvest festival's corn maze, Skye pushes her magical boundaries with the help of YouTube how-to spellcasting videos. Now not only does she have a highly annoyed talking cat, a murderer has taken notice. Pastries and Prophecies: Skye had hoped February would involve surprises like Valentine chocolates, not the mother who abandoned her showing up out of the blue to teach her about the family magic. But when her mother is accused of murder, Skye's efforts to prove her innocence could make her the next to die.
