Box Office Best Returns:

Predicting Movie Success at the Box Office Barrie Gunter, 2018-02-20 This book explores the different factors that can influence a new movie's prospects at the box office. Looking at factors such as the production budget, distribution model, genre stars, and audience reactions of films, Gunter asks how such aspects may reduce the uncertainties of success so common in the movie industry. The reader is taken on a journey through filmmaking factors that research suggests impact box office performance. While box office revenues represent only part of a movie's earning potential, Gunter highlights how theatrical performances remain central to what the movie business is about. The chapters illustrate how ticket sales are largely influenced by the production budget but also cultural differences and new movie platforms. **Hollywood and the**

Joy, 2024-01-09 For over six decades, James Bond has been a fixture of global culture, universally recognizable by the film's combination of action set pieces, sex, political intrigue, and outrageous gadgetry. But as the British Empire entered the final stages of collapse, as the Cold War wound down, and the War on Terror began, and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated, the Bond formula has adapted to the changing times. Spanning the franchise's entire history from Sean Connery's iconic swagger to Daniel Craig's rougher, more visceral interpretation of the superspy, James Bond Will Return offers both academic readers and fans a comprehensive view of the series's transformations against the backdrop of real-world geopolitical intrigue and sweeping social changes. Leading scholars consider each of the twenty-five films in the series, showing how and why Bond has changed and what elements of the formula have stood the test of time. Each chapter examines a single film from a distinct position, giving readers a full picture of the variety and breadth of the longest running series in cinema history. Close formal readings, production histories, tracings of the political, social, and historical influences, analyses of the series' use of then-new filmmaking technologies, reflections on

the star personas that have been built around the character these and many more approaches combine to produce a wide ranging view of the James Bond film franchise Essential reading for Bond scholars and aficionados alike James Bond Will Return brings out the many surprising complexities of an iconic character *Joint Transactions of the Chartered Accountants Students' Societies* Union of Chartered Accountant Student Societies,1911 **Transactions of the Society of Motion Picture Engineers** Society of Motion Picture and Television Engineers,1919 *The Film Daily Twentieth Anniversary Edition* ,1938 **Judgments in Vacation** Sir Edward Abbott Parry,1911 **Motion Picture Herald** ,1925 *The Boy Scouts' Year Book* ,1925 *Theatre Magazine* ,1916 **Current Opinion** Frank Crane,Edward Jewitt Wheeler,1917 *Life* ,1926 *The Book of Baseball* William Patten,Joseph Walker McSpadden,1911 *Epoch* ,1889 *Munsey's Weekly* ,1894 *The Bystander* ,1908 *London and Its Environs* Karl Baedeker (Firm),1900 **California.
