FANOMICS® Roman Becker, Gregor Daschmann, 2023-06-20 Every company wants to turn its customers into true and lifelong fans In this book Roman Becker and Gregor Daschmann the discoverers of the Fan Principle and FANOMICS demonstrate how this can be actually accomplished They transfer the mechanisms of fan relationships from sports music and art to those between companies and customers What turns a customer into a fan customer How are these identified And how can the Fan Rate be managed and even increased This book provides answers to all these questions Based on surveys and interviews with more than 100 000 respondents it becomes clear that fans have the highest customer value and therefore contribute significantly to the economic success of a company However in order to win fan customers and increase these numbers a complete rethinking of customer relationship management and a departure from the customary key performance indicators is necessary Taking this path is extremely worthwhile Fan customers have an emotional connection to their provider and form a new reliable currency both as direct buyers and as active ambassadors This a must read for all business decision makers who want to improve the quality of their customer relationships while saving money and achieving more than just short term success From the contents Definition of fan customers and what emotional customer loyalty means Distinct value of the fan customer as a value added partner and ambassador FANOMICS as a management program in customer relationship management Concrete suggestions for implementing FANOMICS Best practices and illustrative examples of tops and flops from the business world

American Wino Dan Dunn, 2016-04-05 A professional booze writer whose life spins out of control tries to piece it back together by embarking upon an epic wine fueled adventure that takes him to every corner of the U S Part vision quest part guidebook part journey into the bizarre tapestry of American life it will make you laugh make you cry and teach you a whole lot about wine Former Playboy magazine nightlife columnist Dan Dunn has a made a career out of drinking Yet this man s man a connoisseur of beer and whiskey knew next to nothing about one of the major drinks enjoyed the world over wine When a fateful tasting experience coincided with a serious existential crisis Dunn decided to hit the road on a journey of discovery To quench his thirst for knowledge and be able to throw down with the experts he would educate himself about the industry glass by glass from winery to winery in nearly every region in the United States His bold 15 000 mile road trip took Dunn from Sonoma California to Pawley s Island South Carolina where he twirled sniffed and sipped glass after glass of a vast array of wines with vintners savants and celebrities including Kurt Russell and The Most Interesting Man in the World Jonathan Goldsmith Dunn s mission was to transform himself from a heartbroken schlub who barely knew the difference between Merlot and Meritage into a confident connoisseur capable of wowing others simply by swirling some fermented grape juice around in his mouth and pronouncing it troubling yet brilliant In American Wino Dunn shares it all the good the bad the sublime As his wine knowledge grows and becomes more complex he shares it with the reader in the form of digestible actionable nuggets in each chapter It s like a wine tasting course at your local

community college extension program only with more sex and less crushing despair An intoxicating blend of travel writing memoir and booze journalism that pairs earthy humor with fine wine for hilarious and enlightening results it is the story of one man s journey to find himself and everyman s journey to better understand the true spirit of this divine elixir
