A. Moreira, 2022-10-13 Since immemorial times persons have been engaged in disputes in metaphysics This book reacts to this fact by supporting five theses Thesis 1 is that disputes are micro wars that have a significant social importance they involve conflicting parties who may resort to some kind of violence and depend on normative factors Thesis 2 is that disputes can be approached from right wing or left wing stances Thesis 3 is that the grounds for endorsing an approach to a dispute are problematic starting points that may be rationally rejected Thesis 4 is that disputes have an incommensurable greatness Thesis 5 is that right wing approaches to disputes may be less appealing than the left wing one championed by the book for those who endorse that one is to avoid expressing subtle violence This is the violence expressed by those who suggest that others who disagree with one's criteria to deal with disputes fall short of logos or act as if such others did not exist **Screen Raised** Conrad Riker, 101-01-01 Boys Are Becoming Weak It's Not Their Fault It's Yours Are you sick of seeing boys raised to be anxious screen addicted directionless shadows of men Are you tired of feminist parenting dogma turning homes into emotionless zones where fathers are sidelined and boys are medicated for normal behavior Do you wish there was a way to raise strong resilient sons in a world that wants to neuter masculinity A brutally honest expose of how feminist ideology is destroying boyhood Reveals why ADHD diagnoses are skyrocketing and why lazy parenting is to blame Explains how YouTube and social media are raising your kids while you look away Exposes the woke mind virus infecting schools and replacing family values Shows how frigid career focused mothers are damaging their sons emotional development Uncovers the truth behind the autism epidemic lack of discipline not genetics Details how outdoor play and risk taking have been criminalized in the name of safety A rallying cry for fathers to reclaim their rightful role as leaders of the family If you want to raise unbreakable sons in an age of weakness buy this book today Popular Culture in Everyday Life Charles Soukup, Christina R. Living with Algorithms

Ignacio Siles,2023-04-25 A nuanced account from a user perspective of what it s like to live in a datafied world We live in a media saturated society that increasingly transforms our experiences relations and identities into data others can analyze and monetize Algorithms are key to this process surveilling our most mundane practices and to many their control over our lives seems absolute In Living with Algorithms Ignacio Siles critically challenges this view by surveying user dynamics in the global south across three algorithmic platforms Netflix Spotify and TikTok and finds surprisingly a more balanced relationship Drawing on a wealth of empirical evidence that privileges the user over the corporate Siles examines the personal relationships that have formed between users and algorithms as Latin Americans have integrated these systems into the structures of everyday life enacted them ritually participated in public with and through them and thwarted them Sometimes users follow algorithms Siles finds and sometimes users resist them At times users do both Agency lies in the navigation of the spaces in between By analyzing what we do with algorithms rather than what algorithms do to us Living with Algorithms clarifies the debate over the future of datafication and whether we have a say in its development Concentrating on an understudied region of the global south the book provides a new perspective on the commonalities and differences among users within a global ecology of technologies
