ADD-Friendly Ways to Organize Your Life Judith Kolberg, Kathleen Nadeau, 2012-01-04 Over 100 000 Copies Sold
Organizing books fall short of addressing the unique needs of adults with ADD They fail to understand the clinical picture of ADD and how it impacts the organizing process often making their advice irrelevant or frustrating when put into application Books about ADD may address organization disorganization but do so in a cursory fashion and on a very small scale in what are usually long books on the subject This is a book that has ADD Friendly advice with the ADDer in mind This collaboration brings forth the best underlying understanding with the most effective and practical remedy from ADD experts in two important fields professional organization and clinical psychology Finally it offers organizing advice that ranges from self help to utilizing the help of non professionals to using professional assistance Thus it permits the reader to decide where they are at personally in the organizing process and what level of support will be most beneficial to their unique situation

Bearing Witness Sandra L Bloom, Michael Reichert, 2014-02-25 Bearing Witness Violence and Collective Responsibility offers a unique layperson s introduction to the scope and causes of violence and trauma theory and suggests ways we can all work to attack these causes Upon completing this work you will have a better understanding of the social causes of the violence epidemic and concrete suggestions for its long term control Bearing Witness addresses the cycle of violence by discussing some of the biological psychological social and moral issues that go into determining whether a person will end up as a victim perpetrator or bystander to violent events and what happens to us when we are in one or all three of these roles The authors look at a number of intersecting factors that play interdependent roles in creating a culture that promotes supports and even encourages violence Specifically you ll gain invaluable insight into trauma theory and traumatogenic forces backdrops against which the chances of exposure to violence and the use of violence as a problemsolver are increased normal human development in the context of attachment theory and what occurs as a result of disrupted attachment bonds how rapid changes in modern society and the breakdown of the traditional family structure contribute to a level of social stress that promotes violence violence in the family in the workplace and in the schools all places to which people turn for security social responses to violence the ways in which certain responses decrease or increase the likelihood of violence the unhealthy balance of power between the genders and how violence or the threat of violence maintains this imbalance how our cultural standard of disavowing our normal emotional experience sets the stage for repeated and regular empathic failure which leads to violence A framework for understanding the various aspects of the problem of violence Bearing Witness delves into the various aspects of trauma what trauma does to the body the mind the emotions and relationships before beginning to formulate proposals for initiating processes that lead to problemsolving Once this knowledge base has been established the authors give you the beginnings of an outline for reorganizing society with the aim of establishing a community that is responsive to the basic human need for safety and peace *The Passive Income Blueprint* Adidas

Wilson,2019-04-28 Passive income is becoming more popular by the day However many people still do not understand how beneficial it is Believe it or not making money in your sleep is not the biggest benefit This book outlines more important reasons why everyone should seek a passive income stream or be in the process of creating one I also offer semi passive strategies Planning for retirement should not be a huge headache unless you think that you can only prepare for retirement by saving If a sudden change in your life or the economy happens your savings may not be very helpful in retirement It is no secret that savings are just not enough You will have unexpected expenses especially in your old age and you are likely to underestimate the amount you should save People are living longer nowadays but that should not mean they want to work more years A passive income stream means that you will have constant cash flow You will be getting an amount of money regularly unlike with savings It will be like getting a paycheck without actively working
