Baby Bumps
Amy Sprenger, 2012-06-29 From the author of the award winning blog Snarky Mommy comes a book that will make every woman who has ever been pregnant pee with laughter not that that s hard Wearing her highest heels and hottest pregnancy jeans Amy Sprenger marches into her doctor s office beverage in hand ready to finally see whether her baby is a boy or a girl Sure sure this appointment is supposed to be about checking the health of the baby but everyone who s ever been there knows it s really about looking for what lays or doesn t lay between the legs So when the doctor tells her she has an incompetent cervix Amy becomes immediately offended on behalf of her reproductive organs Is that just a politically correct way of saying her cervix sucks Unfortunately as she s soon to learn it s a lot more than that The only way to keep that baby from falling out on the sidewalk probably in front of Starbucks is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months Four months that are carefully detailed in this memoir A memoir that while basically true has been embellished with Amy s signature brand of humor and hilarity With more time off than a castoff contestant on The Bachelor Amy takes pen to paper and settles in for the ride But instead of sitting around eating bonbons she s popping hypertension drugs to stave off preterm labor And complications Oh she s got your complications She s gut rehabbing her house Her mother moves in to care for her Her husband takes a mancation while she s stuck in the hospital And every time she has a contraction she s convinced it s The Big One Living by the adage that laughter is the best medicine Amy fumbles her way through a series of sometimes serious and usually embarrassing situations And just to be clear using a bedpan qualifies as both serious and embarrassing Amy Sprenger s foray into factual fiction is a hilarious and sometimes poignant look at high risk pregnancy from her view at the end of the bed Sprenger offers a fresh and funny voice that readers will love
