The book offers practical tools for protecting intellectual property, including Trademark and Copyright application forms, Sample employment agreements, An Internet usage policy, Tips on preventing unauthorized dissemination of information via the Web, A guide for conducting an IP audit, And much, much more. **2016: the Campaign**

Chronicles JD Foster, 2017-01-19 How did Donald Trump, a man with zero direct political experience and no particular affiliation to either political party, go in the span of a two-year campaign from preposterous aspirant to President-elect of the United States? It will likely take years, if not decades, before a confident consensus develops, but formulating an answer begins with chronicling the key events in the campaign in the country and sometimes in the wider world as they happened. This book is an attempt to provide such a chronicle, by no means the last word but perhaps a useful and entertaining first word toward answering the question: What the heck?
