Sterling's College Admission Survival Guide Senior Year Stephen Charles Sterling, Dorothy Roman Sterling, 2006-05
Sterling's College Admission Survival Guide is the college and university guide for understanding the entire college admission process

Understanding the European Union's External Relations Michèle Knodt, Sebastiaan Princen, 2003-09-02 The European Union is one of the world's biggest economies. However, its role as an international actor is ambiguous and it's not always able to transform its political power into effective external policies. The development of an assertive European Union challenges the image of an internal project aimed at economic integration and international relations theories based on unitary state actors. This book systematically links the EU's external relations to existing political theories, showing how existing theories need to be modified in order to deal with specific characteristics of the EU as an international actor.
