Extraordinarily Ordinary Erin A. Meyers, 2020-02-14 Extraordinarily Ordinary offers a critical analysis of the production of a distinct form of twenty first century celebrity constructed through the exploding coverage of reality television cast members in Us Weekly magazine. Erin A. Meyers connects the economic and industrial forces that helped propel Us Weekly to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms that shaped the successful gossip formulas of the magazine. Us Weekly's construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader intensification of discourses of ordinariness and the private in the production of contemporary celebrity in which fame is paradoxically grounded in just being yourself while simultaneously defining what the right sort of self is in contemporary culture.

The Trans Killer Mr. SociallyAwkward, 2022-12-02 A self hating teen named Daniel who's conflicted about his identity. Daniel is aware that he's different from other teenage boys his age with his interest in women's clothing nail polish and male crushes. He acknowledges that he feels like a woman inside but he is conflicted over whether these feelings are acceptable because he is the son of a pastor. On Daniel's eighteenth birthday after years of sorrow he embraces his identity and tells his family. To no surprise he receives intense backlash. From death threats public teasing family neglect and even a family member committing suicide. Daniel reads the suicide note and it seems to encourage Daniel to act out certain Bible scriptures. Reading the Bible passages sparks a fire in Daniel to turn his back on his identity and display ways of violence and hatred onto other LGBTQIA members as a calling from God. Unaware how this will come back to haunt him.
