Black Cinema & Visual Culture Artel Great, Ed Guerrero, 2023-03-30 This culturally and politically timely collection examines new Black films and moving images that have once again excited and possibly shifted the global media landscape. At a moment some scholars have described as post post racial Black Cinema Visual Culture provides new urgent definitions and theories for Black cinema and furthers the development of its critical discourses. Gathering some of the leading scholars and critics in the field, this book enriches and advances the study of Black film and media and its social and political implications at a breakthrough period of expansion in the 21st century. This anthology tackles a wide range of topics from social justice, new media, and Afrofuturism to race, gender, sexuality, mass incarceration, cultural memory, and Afrosurrealism, exploring the current climate of Black cinematic art that has proven wildly popular with domestic and global audiences, including hit films like *Get Out* and *Marvel's Black Panther*. Together, these essays deepen understandings of Black visual culture, its creative image makers, the political economy of Hollywood, and the cultural politics at the intersection of modern cinema, streaming platforms, and digital technologies. *Black Cinema Visual Culture* will serve as an important learning tool for university courses spanning topics in film studies, American film and television, cultural studies, American studies, African Diaspora studies, media activism, social analysis, and African American studies. This volume will also provide a benchmark in popular and intellectual circles for anyone interested in popular culture, Black American cinema, media issues of race in Hollywood, or Black culture and the conditions that shape both its art and politics.

The Red Chill Sandman, 2009-12-31 The book is based on a little Maine town that never has anything happen. One day a child is found dead and pulled apart; the locals fear a wild dog or something larger did it. The local cops and his friends hunt down this animal, and almost a few times became the hunted. The book is made to keep you guessing right till the end and will get you thinking in many different ways. The main character Dannie falls in love with a man, and she has dreams that are bugging her until she finds they are calling from God to save the little town and its people. Lots of thrills and chills will make you sad, happy, angry. The book was fun to write and even made me want to read it more than once.

Popular Culture in Everyday Life Charles Soukup, Christina R.
