Owner Milwaukee Brewers Vince Gennaro shows a profound understanding of the economics of a team's baseball decisions. His analyses of a team's win-revenue relationship, the player development system, and player valuation make for a remarkably innovative examination of the baseball front office model that's just as informative for a baseball executive as for a fan. Chris Antonetti, General Manager, Cleveland Indians, *Diamond Dollars* offers up exciting and stimulating new ideas about the business of baseball. It provides a set of metrics for decisions that have typically been a gut feeling for many organizations. I think teams should make this required reading for everyone in their organizations. Jim Beattie, former Executive VP and General Manager, Baltimore Orioles and Montreal Expos. Vince Gennaro has written the best book I've read on the business of baseball. It serves as both a how-to manual for baseball owners and a tour guide for fans who scratch their heads at the things their teams do. It should find plenty of readers in both camps. Dave Studenmund, Editor, *The Hardball Times Annual*.

Baseball Barnstorming and Exhibition Games, 1901-1962 Thomas Barthel, 2014-12-09. Until 1947, professional ball players were paid only from opening day to season's end. Even during the season, a lot of their expenses came out of their own pockets. Even the best-paid players had trouble making ends meet. One answer to their money woes was barnstorming: tours out of season. Cities lacking their own major league teams were happy to host big league players for such events as well as for special exhibition games whose proceeds sometimes went to local charities. Here is a history of barnstorming and exhibition games from 1901, when both of the two current major leagues began operating, through 1962, when a team led by Willie Mays was unsuccessful in its attempt at a tour signaling an end to true barnstorming. Decade by decade, it covers the teams, the games, and the players for a detailed look at how barnstorming and exhibition brought big league baseball to the backyard ballparks of America.
