Zealand's highest paid athlete ever and went on to forge a reputation for his intense physical style of basketball. Adams takes you inside the draft process from the fascinating whirlwind tour of pre-draft workouts with dozens of teams to the draft itself where dreams are made or dashed and the Gatorade bottles on every table are glued shut. He reveals what it's like to be a rookie in the league getting pushed around and elbowed or worse. He takes the court alongside superstars like Russell Westbrook, Paul George, Carmelo Anthony, and Kevin Durant and matches up against legendary big men like Tim Duncan, DeAndre Jordan, Dwight Howard, and Draymond Green. Adams recounts the Thunder's rise through the victories and the heartbreaks and how the resilient team has a bright future ahead. In this intimate account of his life story so far, the seven-foot center also reflects on his humble upbringing as one of fourteen children, the impact of his father's death when he was just thirteen, the multiple challenges and setbacks he has faced, and what basketball means to him. Told with warmth, humor, and humility, *My Life My Fight* is a gripping account from an emerging superstar.

Playing Pro Basketball Marty Gitlin, 2014-08-01
For a professional player, basketball isn't just a fun game; it's a job. Millions of people are watching your every move, expecting you to make every shot and block your competitors. You have to give your all for every game, and when you're not playing, you're sharpening skills, working on plays, and studying your opponents. Dedication extends beyond the season. You must follow strict diets and workout plans to stay in shape throughout the year. You must learn to manage the pressure of constant travel and stardom. Is it worth it? This book, which was reviewed by 11-year National Basketball Association (NBA) veteran and three-time NBA champion Devean George, offers an authentic look at what life is like as a pro basketball player. You'll learn what kinds of skills it takes to play in the NBA, how players climb the ranks to reach the NBA, what daily life is like for an NBA player, the types of workouts and dietary plans NBA players use, how NBA players prevent and treat injuries, go behind the scenes, and see what it's really like to be an NBA star.

24 Seconds to Shoot Leonard Koppett, 2003-02-01
This classic account tells the story of pro basketball's shaky beginnings and of how the game adapted to survive in its early decades.

Wish It Lasted Forever Dan Shaughnessy, 2021-11-16
From award-winning Boston Globe columnist Dan Shaughnessy, an entertaining *The Wall Street Journal* and nostalgia-filled retelling of the 1980s Boston Celtics' glory years, which featured the sublime play of NBA legend Larry Bird. Today, the NBA is a vast global franchise, a billion-dollar industry seen by millions of fans in the United States and abroad. But it wasn't always this successful. Before primetime ESPN coverage, lucrative branding deals like Air Jordans, and 40 million annual player salaries, there was the NBA of the 1970s and 1980s when basketball was still an up-and-coming sport featuring old-school beat reporters and players who wore Converse All Stars. Enter Dan Shaughnessy, then the beat reporter for *The Boston Globe* who covered the Boston Celtics every day from 1982 to 1986. It was a time when reporters travelled with professional teams, flying the same commercial airlines, riding the same

buses and staying in the same hotels Shaughnessy knew the athletes as real people losing free throw bets to Larry Bird being gifted cheap cigars by the iconic coach Red Auerbach and having his one year old daughter Sarah passed from player to player on a flight from Logan to Detroit Metro Drawing on unprecedented access and personal experiences that would not be possible for any reporter today Shaughnessy takes us inside the legendary Larry Bird led Celtics teams capturing the camaraderie as they dominated the NBA Fans can witness the cockiness of Larry Bird who once walked into an All Star Weekend locker room announced that he was going to win the three point contest and did the ageless athleticism of Robert Parish the shooting skills of Kevin McHale the fierce self sacrificing play of Bill Walton and the playful humor of players like Danny Ainge Cedric Cornbread Maxwell and M L Carr For any fan who longs to return for just a few hours to those magical years when the Boston Garden rocked and the winner s circle was mostly colored Boston Green Wish It Lasted Forever is a masterful tribute to the Celtics from 1982 1986 that is so good even fervent Celtics haters will have trouble putting it down New York Post

Rebound! David Borges,2015-03-03 In September 2012 legendary University of Connecticut men s basketball coach Jim Calhoun who had won three national championships the last in 2011 abruptly retired His handpicked replacement was Kevin Ollie a former UConn player and longtime NBA journeyman who had returned two years earlier to be Calhoun s assistant Ollie was widely praised as a basketball savant and respected by virtually everyone who knew him But he had no head coaching experience at any level before taking the UConn job He was also inheriting a mess Due to past academic problems UConn was barred from postseason play in 2013 and largely because of this several top players left the program either for the NBA draft or for other schools On top of that were the uncertainties of a greatly changed conference as well as difficulties on the recruiting trail Despite it all a dedicated core of players stayed and won twenty hard fought

games even with no tournament chances to hope for The following season expectations for the team were modest and the odds of a championship were slim to none But with the tournament ban lifted a talented group of players led by Shabazz Napier emerged and went on to upset Michigan State to advance to the Final Four causing millions of college hoops fans across the country to rip up their carefully constructed brackets When they beat preseason no 1 Kentucky with its Fab 5 NBA bound starters and celebrity coach John Calipari to win the 2014 title theirs became one of the great comeback stories in all of sports a rags to riches triumph for a storied program and its new head coach

When Nothing Else Matters Michael Leahy,2012-12-11 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one before Powered by a potent mix of charisma near superhuman abilities and a ferocious drive to dominate the game he achieved every award and accolade conceivable before retiring from the Chicago Bulls and taking an executive post with the Washington Wizards But retirement didn't suit the man who was once king and at the advanced age of thirty eight Michael Jordan decided it was time to reclaim the court that was once his WHEN NOTHING ELSE MATTERS is the definitive account of Jordan's equally spectacular and disastrous return to basketball Having closely followed Jordan's final two seasons Michael Leahy draws a fascinating portrait of an intensely complex man hampered by injuries and assaulted by younger players eager to usurp his throne In this enthralling book Jordan emerges as an ambitious at times deeply unattractive character with unsurprisingly a monstrous ego WHEN NOTHING ELSE MATTERS is an absorbing portrait not only of one athlete's overriding ambition but also of a society so in thrall to its sports stars that it is blind to all their faults
