Innovations Re Imagining Business and Creating a Nation that Shines Dream of a Nation restores faith that humanity can
solve our current looming environmental economic and societal challenges *Trampled by Unicorns* Maelle
Gavet, 2020-08-26 A Wall Street Journal Bestseller An insider's revealing and in depth examination of Big Tech's failure to
keep its foundational promises and the steps the industry can take to course correct in order to make a positive impact on the
world *Trampled by Unicorns* Big Tech's Empathy Problem and How to Fix It explores how technology has progressed
humanity's most noble pursuits while also grappling with the origins of the industry's destructive empathy deficit and the
practical measures Big Tech can take to self regulate and make it right again Author Maelle Gavet examines the tendency for
many of Big Tech's stars to stray from their user first ideals and make products that actually profoundly damage their
customers and ultimately society Offering an account of the world of tech startups in the United States and Europe from
Amazon Google and Facebook to Twitter Airbnb and Uber to name a few *Trampled by Unicorns* argues that the causes and
consequences of Big Tech's failures originate from four main sources the Valley's cultural insularity the hyper growth
business model the sector's stunning lack of diversity and a dangerous self sustaining ecosystem However the book is not
just an account of how an industry came off the rails but also a passionate call to action on how to get it back on track Gavet
a leading technology executive and former CEO of Ozon an executive vice president at Priceline Group and chief operating
officer of Compass formulates a clear call to action for industry leaders board members employees and consumers users to
drive the change necessary to create better more sustainable businesses and the steps Western governments are likely to
take should tech leaders fail to do so Steps that include reformed tax codes reclassification of platforms as information
