What makes Netflix's Bodyguard so successful? An intimate viewing Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life

Escaping the Build Trap Melissa Perri,2018-11-01 To stay competitive in today s market organizations need to adopt a culture of customer centric practices that focus on outcomes rather than outputs Companies that live and die by outputs often fall into the build trap cranking out features to meet their schedule rather than the customer s needs In this book Melissa Perri explains how laying the foundation for great product management can help companies solve real customer problems while achieving business goals By understanding how to

communicate and collaborate within a company structure you can create a product culture that benefits both the business and the customer You'll learn product management principles that can be applied to any organization big or small In five parts this book explores Why organizations ship features rather than cultivate the value those features represent How to set up a product organization that scales How product strategy connects a company's vision and economic outcomes back to the product activities How to identify and pursue the right opportunities for producing value through an iterative product framework How to build a culture focused on successful outcomes over outputs I Curse You With Joy Tiffany

Haddish, 2024-05-07 Tiffany Haddish is back with her highly anticipated new essay collection *I Curse You With Joy* It's been a minute Readers last sat down with Tiffany in her bestselling debut *The Last Black Unicorn* Since then Haddish has catapulted to A-list fame as the breakout star of *Girls Trip* She's walked the Oscars red carpet released a hit stand-up special with Netflix and made history as the first Black female comedian to host *Saturday Night Live* and *Shark Week* But it hasn't been all VIP parties and free diving with apex predators In these humorous and heartfelt essays Tiffany gets real about the highs and lows of life Believe it or not there was a time when Tiffany didn't totally know who Tiffany was Before she found her groove she was on stage dressed like her snobby airline coworkers telling halfhearted dick jokes She tanked It took a fake penis some help from friends and a little encouragement from Bob Saget but eventually Tiffany figured out Tiffany *I Curse You With Joy* celebrates all the lessons she learned along the way the joy and the pain Tiffany reckons with the legacy of her childhood trauma the challenges of being a Black woman in the entertainment industry and her bittersweet reunion with her estranged father after twenty years apart Don't worry she's got plenty of advice to share too *I Curse You With Joy* is Tiffany Haddish unfiltered We know what you're thinking how much more unfiltered can she get These essays lay it all bare bringing readers into Tiffany's inner circle where joy honesty humor and heart are the order of the day *Knight's Absolution:*

Geissinger, Sav R. Miller, Sophie Lark, Rina Kent, and Shantel Tessier. WITH NEW BONUS CONTENT Exclusive interview with Keller The Killer Russo, the new undisputed Heavyweight Champion of the World whose fists have silenced all contenders. Keller From a poor underground street fighter, I rose to fame as the world heavyweight boxing champion. No one knew I was also a monster who hunted in the shadows. Trapped in the mafia until my debts were paid. A simple deal held my freedom. Unify my belts. It seemed simple until an enchanting British firecracker landed on my lap, knocking me sideways. Wanting her was dangerous for us both, but I took her anyway. Leaving me with the choice: fight for my freedom or hers. When the truth is unmasked, could she still love me? Would love be enough to battle our demons and come out on top. Sienna Newly single and focusing on building my life in New York, I've sworn off men for the foreseeable. No one had ever stuck around long enough to let me believe in fairytales anyway. That was until him. He tried to hide himself from me, but I couldn't stay away. When the mask shattered and the truth was revealed, could I still stay? Even if it meant my life was at stake. Could we get past our fear of love and fight for our Happily Ever After Bill Gates: In His Own Words Lisa Rogak, 2021-01-12 Get inside the head of one of the most important leaders of our time with this collection of quotes from global business icon and philanthropist Bill Gates, the co-founder and former CEO of Microsoft. After founding Microsoft in 1975, Bill Gates took the software industry by storm. Today, Microsoft has become one of the largest technology companies in the world, boasting a market capitalization of more than 1.6 trillion. From the Windows operating system to Microsoft Office Suite, Gates and his team forever changed the way people use computers and ultimately planted the seeds of a global technology revolution. In the process, Gates has long been ranked as one of the world's wealthiest men, which gave him a name recognition far greater than that of most CEOs. And businesspeople of all stripes have looked to him as a role model, using his words and business strategies to help create, inspire, and grow their own companies. After he stopped running Microsoft's day-to-day operations in 2008 to devote himself full time to the Bill & Melinda Gates Foundation, a kinder, gentler Gates began to emerge. In stark contrast to the implacable reputation Gates earned as a CEO, as a philanthropist, Gates has helped to change the lives of millions of people worldwide. In technology, in business, and now in philanthropy, Gates has proven himself to be one of the most influential people of our time. Bill Gates's second act is no less compelling than his first. This collection of quotes provides an inside look into the inner workings of one of the most revered and occasionally controversial business icons of the past four decades. And whether you're interested in his personal life or looking for inspiration to drive you forward in your own business endeavors, *Bill Gates: In His Own Words* has much to offer. As the tech giants who distinguished the turn of the 21st century shape public life in ways that outstrip the previous century's titans of industry, we look to figures like Gates for inspiration. Now updated, expanded, and redesigned since its original publication in

2012 as Impatient Optimist Bill Gates In His Own Words you can find Gates's most inspirational thought provoking quotes in one place

Open TV Aymar Jean Christian, 2018-01-09 How the internet transformed television Before HBO's hit show *Insecure* Issa Rae's comedy about being a nerdy black woman debuted as a YouTube web series *The Misadventures of Awkward Black Girl* her response to the absence of diverse black characters on the small screen *Broad City* a feminist sitcom now on Comedy Central originated as a web series on YouTube developed directly out of funny women Ilana Glazer and Abbi Jacobson's real life friendship These unconventional stories took advantage of the freedom afforded outside the traditional television system online Open TV shows how we have left the network era far behind and entered the networked era with the web opening up new possibilities for independent producers entrepreneurs and media audiences Based on interviews with writers producers show runners and network executives visits to festivals and award shows and the experience of producing his own series Aymar Jean Christian argues that the web brought innovation to television by opening up series development to new producers fans and sponsors that had previously been excluded Online access to distribution provides creative freedom for indie producers allows for more diverse storytelling from marginalized communities and introduces new ways of releasing and awarding shows Open TV is essential reading for anyone interested in the changing environment of television and how the internet can inspire alternatives to what's on TV tonight

Triumph of the Heart Megan Feldman Bettencourt, 2016-08-09 2016 Books For A Better Life Award winner Drawing on the latest research and remarkable tales of forgiveness from around the world journalist Megan Feldman explores how forgiveness when practiced in the right ways can save lives make us happier and healthier and lead to a better world Veteran journalist Megan Feldman was still smarting over a bitter breakup when she began working on a feature article about a father named Azim who had truly forgiven the man who killed his son She had found herself totally and completely unable to forgive her ex boyfriend and yet Azim had managed to forgive his own son's murderer Forgiveness has long been touted by religious leaders as a moral imperative But Megan wanted to know exactly what it means from a scientific perspective and why forgiving those who have wronged you is one of the best things you can do for yourself In *Triumph of the Heart* Feldman embarks on a quest to understand this complex idea drawing on the latest research showing that forgiveness can provide a range of health benefits from relieving depression to decreasing high blood pressure The journey takes her from New Zealand and the Maori who practice their own form of restorative justice to a principal in Baltimore who uses forgiveness techniques to eradicate violence in her school and to recovered addicts who restarted their lives by seeking and receiving forgiveness She travels to Rwanda to learn about forgiveness in the face of unthinkable atrocities This book is a guide for how the practice of forgiveness can help us all in our search for a satisfying fulfilling good life
