The Business of Sports Agents Kenneth L. Shropshire,Timothy Davis,2013-04-22 The legendary Charles C Cash and Carry Pyle considered by most to be the first sports agent negotiated a 3 000 per game contract for Red Grange to play professional football for the Chicago Bears in 1933 Today salaries in the tens of millions of dollars are commonplace and instead of theatrical promoters and impresarios professionally trained businessmen and lawyers dominate the business But whereas rules and penalties govern the playing field there are far fewer restrictions on agents Incidents of agents manipulating athletes ranging from investment scams to outright theft of a player s money are far too frequent and there is growing consensus for reform In The Business of Sports Agents Kenneth L Shropshire and Timothy Davis experts in the fields

of sports business and law examine the history of the sports agent business and the rules and laws developed to regulate the profession They also consider recommendations for reform including uniform laws that would apply to all agents redefining amateurism in college sports and stiffening requirements for licensing agents This revised and expanded second edition brings the volume up to date on recent changes in the industry including the closing of one of the largest agencies high profile personnel moves passage of the federal Sports Agent Responsibility and Trust Act the National Football League s aggressive and high profile efforts to regulate agents *Catalog of Copyright Entries. Official Guide for Shippers & Travellers to the Principal Ports of the World, 1928 *The Brewer's Digest*, 1937 *Sales and Revenue Generation in Sport Business* David J. Shonk, James F. Weiner, 2021-10-21

The ability to generate sources of revenue continues to be the most important skill for individuals working in the sport industry. *Sales and Revenue Generation in Sport Business* With HKPropel Access provides a comprehensive overview of the many ways in which sport organizations generate revenues and it teaches students the practical concepts they will need for success. Going beyond theoretical concepts of sales and sales management, the authors present an applied approach to revenue generation in sport: the PRO method of sales. PROspect PRObe PROvide PROpose PROtect. Students will learn how this proven five-step process for generating revenue is applicable across all avenues in sport business, including ticket sales, broadcasting, and media revenue; sponsorships, corporate giving, and foundation revenue; fundraising and development; grant writing; concessions; merchandising; and social media. The text covers how this sales strategy can be applied across the broad industry of sport, from professional sport and intercollegiate and interscholastic athletics to amateur sport and organizations in recreational settings, equipping students for meaningful careers with longer-lasting success within any segment of the sport industry they enter. Throughout the text, themed sidebars provide examples of industry best practices and successful sales strategies. Case studies in each chapter, plus discussion questions, enhance the learning experience. Plus, related online learning activities delivered through HKPropel offer practical interactive scenarios that will better prepare students to enter the sport industry. Organized by function of revenue generation, each section offers a video, an interactive scenario activity that can be assigned by instructors, and sales script templates that may be downloaded and edited for a specific application. *Sales and Revenue Generation in Sport Business* is designed to give students the practical knowledge they need to understand the sales process and how to successfully apply the PRO method of sales. Armed with this foundational knowledge, they will be better prepared to begin and succeed in a career in sport business. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately. *California Smart Traveler System* Robert W. Behnke, 1992
