Jacob's Ladder Reading Comprehension Program Tamra Stambaugh, Joyce VanTassel-Baska, 2021-09-03 The Jacob's Ladder Reading Comprehension Program targets reading comprehension skills in high ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts using a field tested method developed by the Center for Gifted Education at William Mary. Students in grades 1-2 will learn to comprehend and analyze any reading passage after completing the activities in Jacob's Ladder. Grades 1-2 2nd ed. Geared for students in grades 1-2, this book is a revision of the Primary Level 2 book. It includes stories and ladder tasks carefully selected for young children to develop oral communication and listening skills in addition to the other ladder goals. This book provides stories focused on picture analysis, read alouds, classics, and original works. Optional Student Workbook Packs: In addition to this teacher's guide companion, student workbooks are available for Poetry and Picture Books and Short Stories. Parts 1 and 2. The student workbooks feature ample room for student responses and notes, make reviewing and providing feedback on student work easier than ever, provide students with an easy-to-use reference to use during discussions, and save time as there is no need to reproduce student handouts. Grades 1-2

Affective Jacob's Ladder Reading Comprehension Program Joyce VanTassel-Baska, Tamra Stambaugh, 2021-09-03 The Affective Jacob's Ladder Reading Comprehension Program uses a models approach to scaffold student learning and promote inquiry based discussions of texts. This series of Jacob's Ladder focuses specifically on supporting advanced students' social emotional needs. Includes high interest reading selections in the following genres: short stories and media, poetry and biographies. Moves students from lower to higher level skills of self awareness, metacognition and goal setting. Integrates reading comprehension and analysis skills with affective and social emotional needs. Asks students to apply themes, character or real life experiences and lessons from texts to their own lives. New ladders were specially designed for this series and derived from relevant theories about empathy, risk and resilience, achievement, motivation and mindsets, and practices for cultivating talent. The Affective Jacob's Ladder guides provide teachers with an explanation of the nature and substance of the theoretical constructs for each ladder. Also included are an overview of the goals and objectives of each ladder and suggestions for how to implement the ladders in the classroom in a way that supports students' academic and social emotional needs at the same time. Optional Student Workbook Packs: In addition to this teacher's guide companion, student workbooks are available for Picture Books, Short Stories and Media, and Poetry and Biographies. The student workbooks feature ample room for student responses and notes, make reviewing and providing feedback on student work easier than ever, provide students with an easy-to-use reference to use during discussions, and save time as there is no need to reproduce student handouts.
