to your State Standards and are written to Bloom's Taxonomy Top Notch Executive Resumes Katharine Hansen, 2025-09-12 Branded resumes that illuminate the candidate's unique value proposition and ROI are a must in today's quest for the executive suite. Top Notch Executive Resumes not only explains how to integrate branding into career marketing communication but also how to craft resumes that address your fit with the organization's mission and meet an employer's specific business needs. Hansen instructs high-level professionals in framing past accomplishments so that the employer can visualize the executive's strategic vision and industry insights as well as what he or she can contribute. Highlights of the book include a huge collection of resume samples in cutting-edge formats organized by profession for easy navigability. Examples of a wide variety of complementary documents including leadership profiles and executive bios that top-level professionals need to round out their executive portfolios. Special additional features including the preferences and peeves of hiring decision makers, guidelines for working with recruiters, frequently asked questions, and case studies detailing complete job search marketing campaigns. Let Top Notch Executive Resumes get you into that corner office **The Deployment Toolkit** Janelle B. Moore, Don Philpott, 2016-07-08 Deployment comes in many forms and serves many purposes. Any separation from loved ones is an emotionally difficult time for all concerned, especially when children are involved, but separation is now a modern-day military reality. Those unfamiliar with the military may not understand the nuances of short-term versus long-term deployments. Those that do rarely gain exposure to successful strategies for handling deployments when family such as young children, disabled, or other special circumstances are also involved. As a result, military families must learn to adapt to long-distance relationships as well as how to adjust and positively cope with separations for various training deployments and real-life exercises. The Deployment Toolkit: Military Families and Solutions for a Successful Long Distance Relationship covers the basic challenges military families may face before, during, and after deployment. At times the added stresses of military life often make things seem overwhelming. Luckily, the military is a huge family with scores of support groups, both official and unofficial, to help families prepare for separation and the stresses associated with the long absences. Janelle Moore and Don Philpott provide an easily accessible self-help guide to dealing with and understanding deployment. The authors identify the different types of separations and deployments, emotional adjustments involved, and resources available to families in the military. The Deployment Toolkit is essential reading for those families who need a guide through the modern-day reality of military deployment and separation **The Motivated Job Search: 2nd Edition** Brian E. Howard, 2018-07-01 Book one in the Motivated Series by Brian E. Howard. If you're conducting a job search for a professional position or considering such a job search, you should read this book. Brian Howard provides a thorough, approachable guide to each of the components of a job search that will help you be the selected candidate. The Motivated Job Search, Second Edition. This book provides the informational steps to conduct a job search but more importantly, strategic insight from someone who is actively engaged in front-line recruiting. These strategic insights include

using the psychology of persuasion understanding the mind and motivations of an employer maximizing the use of accomplishments optimizing your LinkedIn profile and six unique tactics that will create differentiation from other job seekers
