Jeffe Kennedy,2024-08-27 Only in an insane world would a young wizard find herself battling monsters and automatons one day and returning to Convocation Academy to cram for finals the next But this is the world Alise Phel lives in Like it or not Alise must face the consequences of ditching out a second time and dealing with the crushing workload assigned to her as a punishment Worse yet succeeding at the Academy means Alise must learn to master her powerful and unusual magic the same magic that caused her to accidentally murder her own mother But graduating is her only way to protect the family she has left and perhaps save the Convocation itself Cillian Harahel is a wizard of the mind An archivist A disciplined thinker Thus he absolutely cannot be in love with Alise Phel Apart from the fact that he is faculty and she s a student one destined for far more greatness than a lowly librarian like him the provost has told him in no uncertain terms that Alise is off limits which would be much more of a problem if Alise actually remembered he was alive Cillian has resigned himself to being Alise s friend and mentor but when she cuts off even that much contact in the coldest way possible he suspects that darker forces than either of them imagined are haunting her Alise has made it clear she wants nothing to do with him but how can he abandon her to the demons clawing at her from her House s enemies to the doubts plaguing her own heart *For Whom the Belle Tolls* Jaysea Lynn,2025-01-28 They told her to go to Hell She went but on her own terms Lily isn t exactly thrilled with her arrival in the Afterlife but what awaits her there is more fantastical than she ever could have imagined Deities wait in line at the coffee shop Fae flit between realms Souls find ways to make death a beginning As she explores the many corners of the Afterlife Lily finds herself surprisingly drawn to a place most people would avoid at all costs Hell Armed with years of customer service experience and pent up sarcasm Lily carves a job out for herself amongst Hell s demons sending souls to their rightful circles with more than a hint of sass Lily s expectations are subverted every day in Hell especially by Bel a demon general with a distractingly sexy voice The two meet by chance and form an immediate deeply healing friendship but the undeniable heat between them threatens to combust Meanwhile something stirs beyond the boundaries of their world threatening to destroy everything they ve known and everything that could be unless they fight like Hell to stop it This debut novel from BookTok sensation Jaysea Lynn invites you to lose yourself in a world where love ignites in the unlikelyst of places magic defies the rules and the Afterlife proves more thrilling than anyone could imagine Strange Familiar Jeffe Kennedy,2025-03-31 Librarian Cillian Harahel and Wizard Alise Phel have fled Convocation Academy in the dark of night and grip of winter taking with them the hidden archives they liberated from hiding The effort of magically holding onto the massive archives everything to do with House Phel and the conspiracy against it is draining Cillian nearly to death Alise wants only to get him to the house of his birth and hopefully save his life But the young lovers are soon separated by their

warring families While Cillian remains at House Harahel to begin the painstaking work of restoring the archives Alise goes home to the only home she has left House Phel There she finds her sister Nic giving birth But the joyful event is soon shattered by the arrival of their father Lord Elal Forced to make a choice between her niece s wellbeing and her own a broken hearted Alise returns to House Elal with her father agreeing to be molded into his creature Cut off from each other Cillian and Alise struggle to find the answers they desperately need and perhaps find one another again Passion + Profit with Author Ecosystems Monica Leonelle,2025-10-25 Are you tired of following marketing advice that feels completely wrong for how you work Wondering why strategies that work brilliantly for other authors leave you drained and frustrated The problem isn t your effort it s that you re trying to build someone else s business instead of your own Author Ecosystems reveals the six distinct creative archetypes that determine how you naturally write connect with readers and build sustainable success This isn t another one size fits all marketing system It s a personalized roadmap based on your unique creative energy patterns Are you a precision focused visionary who thrives on speed and strategic optimization like the Desert A systematic builder who creates comprehensive interconnected creative worlds like the Grassland A cultural moment creator who generates explosive impact through strategic timing like the Tundra A relationship focused author who builds loyal communities through consistent authenticity like the Taiga A healing centered storyteller who creates deep emotional connection and transformation like the Forest Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic What You ll Learn How to identify your core archetype and leverage your natural creative strengths Publishing paths traditional hybrid indie that align with your energy instead of draining it Audience growth strategies designed specifically for how your type connects with readers Creative production methods that work with your natural rhythm not against it Email marketing approaches that feel authentic to your archetype Sustainable paths to six figure success without burning out or compromising your creative vision Whether you re just starting your writing career or you re an established author ready to work smarter instead of harder this book provides the framework to build success on your terms Stop trying to force yourself into marketing strategies that weren t designed for you Start building the writing career that actually fits who you are Author Ecosystems was co created by Monica Leonelle and Russell Nohelty but this comprehensive guide represents Monica s complete vision for the system including the newly discovered sixth archetype the Taiga based on 2024 industry data Your creative DNA isn t a limitation It s your competitive advantage Perfect for aspiring beginning and intermediate authors building their first sustainable writing business as well as established authors ready to align their strategy with their authentic creative process **A Touch of Chaos** Scarlett St. Clair,2025-07-20 The Bookish Box Exclusive Luxe Edition
