Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language **Poets & Writers**, 1999 The Second Chance Year Melissa Wiesner, 2023-12-05 One disastrous year One magical wish One chance to change the past Sadie Thatcher's life has fallen apart in spectacular fashion In one fell swoop she managed to lose her job her apartment and her boyfriend all thanks to her big mouth So when a fortune teller offers her one wish Sadie jumps at the chance to redo her awful year Deep down she doesn't believe magic will fix her life but taking a leap of faith Sadie makes her wish opens her eyes and nothing has changed And then in perhaps her dumbest move yet she kisses her brother's best friend Jacob When Sadie wakes up the next morning she's in her former apartment with her former boyfriend and her former boss is expecting her at work Checking the date she realizes it's January 1 of last year As Sadie navigates her second chance year she begins to see the red flags she missed in her relationship and in her career Plus she keeps running into Jacob and she can't stop thinking about their kiss the one he has no idea ever happened Suddenly Sadie begins to wonder if her only mistake was wishing for a second chance *Sweet Tempo* James P. Kain, 2009-05-11 From the Prologue of *Sweet Tempo* Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven't seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It's just as well that he didn't call me Little Leo But it's having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom's letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie's pantaloons and into gabardine trousers of adulthood although I really don't know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn't sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You'll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up *A Forbidden Alchemy: The Exhilarating Brand New Romantasy from*
