"52 Tips For Fathers" John Nolan, 2004-01-01 Family is for life that's how God designed it Nothing can change something that God has instituted in the world no matter what anyone may say about it or what the prevailing culture recommends When you become a father you have enlisted into that role for the rest of your life Your children will look to you for an example of how to live for guidance and wisdom in nearly every area of life For me that was and still is a scary thought but thankfully we don't have to do it alone 52 Tips for Fathers was not written for those of us who may have been blessed with wonderful fathers and a great upbringing because if that was you then you probably already have the skills you need It was written to help the many young fathers that may have grown up without a dad or those who had a father who was lacking in the skills it takes to truly be a great dad It is to you guys that I dedicate this book and pray that it may assist you in developing your own parenting style and finding the wonderful joy that being a father can bring 52 Tips for Fathers is a foundational project of Dads UNI It was designed initially to be used in Dad's groups as a weekly study and conversation starter and the course was designed to last one year 52 weeks The tips provided in this eBook are simple enough to understand but much more challenging to implement effectively on a long term basis but if you hang in there and don't give up I am confident that these tips will help you become a great dad All Dads UNI teachings are FREE TO SHARE with anyone you think may benefit from them
